Program Description

Overview

OJP is committed to advancing work that promotes civil rights and racial equity, increases access to justice, supports crime victims and individuals impacted by the justice system, strengthens community safety and protects the public from crime and evolving threats, and builds trust between law enforcement and the community.

With this solicitation, OVC seeks to provide funding for shelter and transitional housing and other assistance to victims of domestic violence and their companion animals, which under this program means pets, service animals, emotional support animals, and horses. This program will support three purpose areas: Purpose Area 1: Training and Technical Assistance (TTA) to support up to 23 existing and future potential grantees in meeting their grant objectives; Purpose Area 2: Large Awards up to \$400,000; and Purpose Area 3: Small Awards up to \$100.000.

The term "domestic violence victim" means a victim of domestic violence, dating violence, sexual assault, or stalking, as established in Public Law 115-334.

The following definitions, set out in 34 U.S.C. 20127(9), apply to this solicitation:

- EMOTIONAL SUPPORT ANIMAL. The term "emotional support animal" means an animal that is covered by the exclusion specified in 24 C.F.R. section 5.303 (or a successor regulation), and that is not a service animal.
- PET. The term "pet" means a domesticated animal, such as a dog, cat, bird, rodent, fish, turtle, or other animal that is kept for pleasure rather than for commercial purposes.
- SERVICE ANIMAL. The term "service animal" has the meaning given the term in 28 C.F.R. section 36.104 (or a successor regulation).
- OTHER TERMS. Except as otherwise provided, terms have the meaning given such terms in section 40002 (a) of the Violence Against Women Act of 1994 (34 U.S.C. 12291(a)).

Note: Small Awards under this category are designed for shelters and other transitional housing services for victims of domestic violence and their companion animals that may be seeking funding only for smaller purchases such as kennels, cages, crates, pet supplies, beds, and other items that may be necessary for housing domestic violence victims and pets together.

Statutory Authority

34 U.S.C. 20127

Specific Information

The decision to leave an abusive situation can be made more difficult for the victim when it

Page 8 of 34

involves leaving a pet behind. According to the American Society for the Prevention of Cruelty to Animals (ASPCA), 71 percent of pet-owning women entering domestic violence shelters reported that the abuser threatened, harmed, or killed the family pet. (See https://www.aspca.org/blog/protecting-all-victims-domestic-violence.) Animal abuse can also be an indicator of domestic violence and is an early warning sign of concurrent or future violence. (See www.nationallinkcoalition.org/what-is-the-link.) This grant program will enable domestic violence shelters to become pet-friendly so that victims of domestic violence and their pets may seek safe shelter together. A majority of domestic violence shelters do not allow pets, and the reasons for this may vary. This program will provide funding to enable those shelters that want to house domestic violence victims and their pets to do so. Examples of program activities include purchasing kennels; installing pet amenities; partnering with veterinarians to provide medical care; housing relocation; pet boarding; shelter modifications; and other activities related to providing services to support housing domestic violence victims and their pets together.

Applicants are invited to apply under the following categories:

Purpose Area 1: Training and Technical Assistance

Through this solicitation, OVC will support training and technical assistance (TTA) and the development of tools and resources to assist victim service providers in promoting improved outcomes for domestic violence victims by facilitating increased opportunities for shelter and safety for victims and their companion animals.

The TTA Provider will assist Emergency and Transitional Pet Shelter and Housing Assistance grantees and their partners with implementing programs that allow individuals and their companion animals who are fleeing a situation of domestic violence to find secure. safe housing together.

At a minimum, the successful applicant will engage in the following activities to support all current and future OVC Emergency and Transitional Pet Shelter and Housing Assistance grantees:

- Review, develop, and update policies and procedures.
- Conduct program consultations and assessments.
- Facilitate relationships between OVC Emergency and Transitional Pet Shelter and Housing Assistance grantees and relevant stakeholders at the national, state, and local levels.
- Provide training either in person or virtually, through webinars or other mechanisms.
- Develop and disseminate TTA materials, including promising practices and policies related to housing domestic violence victims and their pets together.

Purpose Area 2 & 3:

The purpose of this program, per 34 U.S.C. 20127(3), is to support projects that provide the following:

- Emergency and transitional shelter and housing assistance for domestic violence victims along with their companion animals. This may include modifications to existing structures to provide for housing animals; operating expenses of newly developed or existing transitional animal shelters for companion animals, regardless of whether such shelter is co-located at a victim housing service provider or is elsewhere within the community.
- Short-term shelter and housing assistance for domestic violence victims with companion animals, including expenses for the temporary shelter, housing, boarding, or fostering of their companion animals and other expenses that are related to securing the safety of such an animal during the sheltering, housing, or relocation of such victims.
- Support services to help persons who are fleeing a situation of domestic violence to locate and secure safe housing with the victim's companion animal; safe accommodations for the victim's companion animal; or companion animal-related services, such as transportation, care services, and other assistance.
- Training for relevant stakeholders on the link between domestic violence and the abuse and neglect of companion animals; the needs of victims of domestic violence; best practices for providing support services to such victims; best practices for providing such victims with referrals to victim services; and the importance of confidentiality.

Grantees will make the housing and supportive services described above available to a victim for a period of not more than 24 months, which may be extended an additional 6 months in if a victim has made a good faith effort to acquire permanent housing during that 24-month period but has been unable to do so within that period. See 34 U.S.C. 20127(5).

Under this program, grantees will be bound by the nondisclosure of confidential information requirements of section 40002(b)(2) of the Violence Against Women Act of 1994 (34 U.S.C. 12291(b)(2)). Nothing in this solicitation shall be construed to require grantees to breach client confidentiality. See 34 U.S.C. 20127(2)(C).

Nothing in this solicitation should be read as requiring domestic violence victims to participate in the criminal justice system in order to receive services. See 34 U.S.C. 20127(2)(C).

An organization or agency receiving funding must certify in its application that it will inform the victim of any mandatory duty it has to report instances of abuse and neglect (including instances of abuse and neglect of companion animals) before providing services or assistance to that victim.

Activities Prohibited by 34 U.S.C. 20127(2)(B): Applicants shall not propose:

- 1. Any activities that may endanger the safety of a domestic violence victim, including conducting background checks of domestic violence victims or evaluations to determine the eligibility of such a victim for support services.
- 2. Requiring mandatory services for victims or requiring that a victim obtain a protective order in order to receive services.

Budget and Associated Documentation

Please complete the budget documentation as outlined below:

Budget Worksheet and Budget Narrative (Web-based Form)

In preparing its budget, the applicant is to review carefully the following information that details elements that the application is to address or include in the Budget Detail Worksheet (and its accompanying narrative information):

- Required trainings (including associated travel, if necessary): Required trainings for OVC grantees include:
 - The Regional Financial Management Training Seminar sponsored by OJP's
 Office of the Chief Financial Officer (OCFO), unless the applicant has
 previously attended this training or plans to take it online. Specific information
 about the dates and locations of upcoming OCFO events and information
 about the DOJ Grants Financial Management Online Training can be found at
 https://www.ojp.gov/training-and-technical-assistance. The Programmatic
 Point of Contact and Financial Point of Contact are required to complete this
 training.
- ii. Required Grantee Meetings (including associated travel): Program grantees will attend a 2-day meeting in Washington, D.C., once during the 36-month project period to share their findings, work with technical assistance providers, and network with grantee peers.

- Display a clear link between the specific project activities and the proposed budget items and not contain items that are not included in or relevant to the Proposal Narrative.
- 2. Distinguish clearly between subawards and contracts in allocating any grant funds to other organizations or agencies. Pursuant to 2 C.F.R. § 200.330, a subaward is for partners that will carry out activities of the award such as compensating a partner with which the grantee has a Memorandum of Understanding (MOU). A contract is for the purpose of obtaining goods and services for the grantee's own use (such as IT support)

The applicant will complete the JustGrants web-based budget form. For additional information, see the OJP Grant Application Resource Guide and the Complete the

Application in JustGrants - Budget training.

If the applicant is seeking priority consideration under Priority 1(A) and has proposed activities (such as community or stakeholder meetings, community outreach or public awareness campaigns, community participation in project design, implementation, or evaluation, etc.) to incorporate the input and participation of communities that have been historically underserved, marginalized, and adversely affected by inequality, financial support for the identified activities and participation must be reflected in the web-based budget form.

If the applicant is seeking priority consideration under Priority 1(B) based on the identification of at least one proposed subrecipient as a culturally specific organization, the proposed funding for the subrecipient in the web-based budget form **must reflect a minimum of 40% of award funding.** The budget narrative must also describe how the activities that will be funded with the (minimum) 40% of award funding provided to the subrecipient **specifically relate to the priority consideration requested** and described in the Capabilities and Competencies section of the application.

How to Apply

<u>Registration</u>: Before submitting an application, all applicants must register with the System for Award Management (SAM). You must renew and validate your registration every 12 months. If you do not renew your SAM registration, it will expire. An expired registration can delay or prevent application submission in Grants.gov and JustGrants. Registration

and renewal can take up to 10 business days to complete.

<u>Submission</u>: Applications must be submitted to DOJ electronically through a two-step process via Grants.gov and JustGrants.

Step 1: After registering with SAM, the applicant must submit the SF-424 and SF-LLL in Grants.gov at https://www.grants.gov/web/grants/register.html by the Grants.gov deadline. Submit the SF-424 and SF-LLL as early as possible, but no later than 48 hours before the Grants.gov deadline. If an applicant fails to submit in Grants.gov, they will be unable to apply in JustGrants.

Step 2: The applicant must then submit the **full application**, including attachments, in JustGrants at JustGrants.usdoi.gov by the JustGrants deadline.

Within 24 hours after receipt of confirmation emails from Grants.gov, the individual in Section 8F of the SF-424 will receive an email from DIAMD-NoReply@usdoj.gov with instructions on how to create a JustGrants account. Register the Entity Administrator and the Application Submitter with JustGrants as early as possible but no later than 48-72 hours before the JustGrants deadline. Once registered in JustGrants, the Application Submitter will receive an emailed link to complete the rest of the application in JustGrants. The Entity Administrator also will need to log into JustGrants to review and invite the applicant's Authorized Representative(s) before an application can be submitted.

Submit the complete application package in JustGrants at least 24 – 48 hours prior to the JustGrants deadline. Some of the application components will be entered directly into JustGrants, and others will require uploading attached documents. Therefore, applicants will need to allow ample time before the JustGrants deadline to prepare each component. Applicants may save their progress in the system and revise the application as needed prior to hitting the Submit button at the end of the application in JustGrants.

For additional information, see the "How to Apply" section in the OJP Grant Application Resource Guide and the DOJ Application Submission Checklist.

Submission Dates and Time

The **SF-424 and the SF-LLL** must be submitted in Grants.gov by 11:59 p.m. eastern time on April 10, 2023.

The **full application** must be submitted in JustGrants by 8:59 p.m. eastern time on April 17, 2023.

OJP urges applicants to submit their Grants.gov and JustGrants submissions prior to the due dates with sufficient time to correct any errors and resubmit by the submission deadlines if a rejection notification is received. To be considered timely, the **full application** must be submitted in JustGrants by the JustGrants application deadline. Failure to begin the SAM.gov, Grants.gov, or JustGrants registration process in sufficient time (i.e., waiting until the date identified in this solicitation) is not an acceptable reason for late submission.

Experiencing Unforeseen Technical Issues Preventing Submission of an Application

OJP will only consider requests to submit an application after the deadline when the applicant can document that a technical issue with a government system prevented application submission.

If an applicant misses a deadline due to unforeseen technical issues with SAM.gov, Grants.gov, or JustGrants, the applicant may request a waiver to submit an application after the deadline. However, the waiver request will not be considered unless it includes a tracking number generated when the applicant contacts the applicable service desks to report technical difficulties. Tracking numbers are generated automatically when an applicant emails the applicable service desks; and for this reason applicants are encouraged to email the appropriate service desk, even if they also intend to call the service desk for phone support. Experiencing wait times for phone support does not relieve the applicant of the responsibility of getting a tracking number.

An applicant experiencing technical difficulties must contact the associated service desk indicated below to report the technical issue and receive a tracking number:

- SAM.gov contact the <u>SAM Help Desk (Federal Service Desk)</u>, Monday Friday from 8 a.m. to 8 p.m. ET at 866-606-8220.
- Grants.gov contact the <u>Grants.gov Customer Support Hotline</u>, 24 hours a day, 7 days a week, except on federal holidays, at 800-518-4726, 606-545-5035, or support@grants.gov.
- JustGrants contact the JustGrants Service Desk at <u>JustGrants.Support@usdoj.gov</u> or 833-872-5175, Monday Friday from 7 a.m. to 9 p.m. ET and Saturday, Sunday, and Federal holidays from 9 a.m. to 5 p.m. ET.

If an applicant has technical issues with SAM.gov or Grants.gov, the applicant must contact the OJP Response Center at grants@ncjrs.gov within **24 hours of the Grants.gov** deadline to request approval to submit after the deadline.

If an applicant has technical issues with JustGrants that prevent application submission by the deadline, the applicant must contact the OJP Response Center at grants@ncjrs.gov within **24 hours of the JustGrants deadline** to request approval to submit after the deadline.

Waiver requests sent to the OJP Response Center must -

- · describe the technical difficulties experienced,
- include a timeline of the applicant's submission efforts (e.g., date and time the error occurred, date and time of actions taken to resolve the issue and resubmit; and date and time support representatives responded).
- include an attachment of the complete grant application and all the required documentation and materials,
- include the applicant's Unique Entity Identifier (UEI), and
- include any SAM.gov, Grants.gov, and JustGrants Service Desk tracking numbers documenting the technical issue.

OJP will review each waiver request and the required supporting documentation and notify the applicant whether the request for late submission has been approved or denied. An applicant that does not provide documentation of a technical issue or that does not submit a waiver request within the required time period will be denied.

For more details on the waiver process, OJP encourages applicants to review the "Experiencing Unforeseen Technical Issues" section in the OJP Grant Application Resource Guide.

Application Review Information

Review Criteria

Merit Review Criteria

Applications that meet the basic minimum requirements will be evaluated by peer reviewers on how the proposed project/program addresses the following criteria:

Statement of the Problem/Description of the Issue (20%) - evaluate the applicant's understanding of the program/issue to be addressed.

Project Design and Implementation (45%) - evaluate the adequacy of the proposal, including the goals, objectives, timelines, milestones, and deliverables.

Capabilities and Competencies (20%) - evaluate the applicant's administrative and technical capacity to successfully accomplish the goals and objectives.

Plan for Collecting the Data Required for this Solicitation's Performance Measures (5%) - evaluate the applicant's understanding of the performance data reporting requirements and the plan for collecting the required data.

Budget (10%) - evaluate for completeness, cost effectiveness, and allowability (e.g., reasonable, allocable, and necessary for project activities).

Other Review Criteria/Factors

Other important considerations for OVC include geographic diversity, strategic priorities (specifically including, but not limited to, those priority areas already mentioned, if applicable), available funding, past performance, and the extent to which the Budget Web-Based Form accurately explains project costs that are reasonable, necessary, and otherwise allowable under federal law and applicable federal cost principles.

Review Process

Applications submitted under this solicitation that meet the basic minimum requirements will be evaluated for technical merit by a peer review panel(s) in accordance with OJP peer review policy and procedures using the review criteria listed above.

OJP screens applications to ensure they meet the basic minimum requirements prior to conducting the peer review. Although specific requirements may vary, the following are

Page 28 of 34 O-OVC-2023-171610 common requirements applicable to all OJP solicitations:

- The application must be submitted by an eligible type of applicant.
- The application must request funding within programmatic funding constraints (if applicable).
- The application must be responsive to the scope of the solicitation.
- The application must include all items necessary to meet the basic minimum requirements.

Pursuant to the Part 200 Uniform Requirements, before award decisions are made, OJP also reviews information related to the degree of risk posed by the applicant entity. Among other things to help assess whether an applicant with one or more prior federal awards has a satisfactory record of performance, integrity, and business ethics, OJP checks whether the applicant entity is listed in SAM as excluded from receiving a federal award.

In addition, if OJP anticipates that an award will exceed \$250,000 in federal funds, OJP also must review and consider any information about the applicant entity that appears in the non-public segment of the integrity and performance system accessible through SAM (currently, the Federal Awardee Performance and Integrity Information System, FAPIIS).

Important Note on FAPIIS: An applicant may review and comment on any information about its organization that currently appears in FAPIIS and was entered by a federal awarding agency. OJP will consider such comments by the applicant, in addition to the other information in FAPIIS, in its assessment of the risk posed by the applicant entity.

Absent explicit statutory authorization or written delegation of authority to the contrary, all final award decisions will be made by the Assistant Attorney General, who may consider not only peer review ratings and OVC recommendations, but also other factors as indicated in this section.
