To advance Executive Order 13929 Safe Policing for Safe Communities, the Attorney General determined that all state, local, and university or college law enforcement agencies must be certified by an approved independent credentialing body or have started the certification process to be eligible for FY 2022 DOJ discretionary grant funding. To become certified, the law enforcement agency must meet two mandatory conditions: (1) the agency’s use-of-force policies adhere to all applicable federal, state, and local laws and (2) the agency’s use-of-force policies prohibit chokeholds except in situations where use of deadly force is allowed by law. The certification requirement also applies to law enforcement agencies receiving DOJ discretionary grant funding through a subaward. For detailed information on this certification requirement, please visit https://cops.usdoj.gov/SafePolicingEO to access the Standards for Certification on Safe Policing for Safe Communities, the Implementation Fact Sheet, and the List of Designated Independent Credentialing Bodies.
All recipients and subrecipients (including any for-profit organization) must forgo any profit or management fee.

OVC will consider applications under which two or more entities would carry out the federal award; however, only one entity may be the applicant. Any others must be proposed as subrecipients (subgrantees). For additional information on subawards, see the OJP Grant Application Resource Guide.

OVC may elect to fund applications submitted under this FY 2022 solicitation in future fiscal years, dependent on, among other considerations, the merit of the applications and on the availability of appropriations.

Program Description

Overview

OJP is committed to advancing work that promotes civil rights and racial equity, increases access to justice, supports crime victims and individuals impacted by the justice system, strengthens community safety and protects the public from crime and evolving threats and builds trust between law enforcement and the community.

The Office for Victims of Crime (OVC) is committed to enhancing the Nation’s capacity to assist crime victims and provide leadership in changing attitudes, policies, and practices to promote justice and healing for all victims of crime.

Under this program, OVC will fund a program to develop or expand statewide Elder Justice Coalitions. The funded applicant will make and monitor subgrants to seven Coalitions and support them and other established coalitions across the United States, by providing national-scope technical assistance.

Statutory Authority

34 U.S.C. § 20103(c)(1)(A)

Specific Information

Older Americans are often targets of guardianship abuse, financial exploitation, fraud, and scams. Those often most at-risk of victimization experience barriers to accessing services including social isolation, cognitive impairment, physical limitations, and depression. Additionally, older victims cannot earn back a lifetime of earnings stolen or swindled by a caregiver, guardian, family member, or fraudster. Despite the high cost to older victims, there is little dedicated funding to support Elder Justice Coalitions, through which elder justice advocates, legal aid professionals, and victim service providers collaborate to collectively identify and address gaps in services to older victims of abuse and financial exploitation.

Over the last 10 years, the elder justice field focused on developing multi-disciplinary teams and effective community outreach and messaging efforts about crimes against older adults. This program furthers that work by sustaining and expanding those efforts to address the needs of older crime victims and to develop Elder Justice Coalitions as a field of practice in order to—

- mirror the successful efforts of other key statewide coalitions such as those addressing sexual assault, child abuse, and domestic violence;
- gain momentum as a professional field of practice, as expressed through the development of victims’ rights, establishment of supportive public policies, and enhanced skills and knowledge building among caregivers and allied professionals; and
- better amplify needs of both victims and systems by sharing gaps, evidence-based practices, and recommendations from the field to help advance needed changes in systems and system response.

The OVC-funded applicant will make seven competitive subawards to new or expanding Elder Justice Coalitions of up to $375,000 each for 24-month projects. The successful applicant will monitor and support the seven subaward Coalitions by providing assistance with collecting appropriate performance data, reporting out key findings, conducting subaward monitoring, and providing online meetings and training.

OVC will collaborate with the Office on Violence Against Women, DOJ’s Elder Justice Initiative (EJI), the Consumer Financial Protection Bureau’s Office of Financial Protection for Older Americans, and the Health and Human Services’ Administration on Aging/Administration for Community Living in the administration of this program.

Goals, Objectives, Deliverables, and Timeline

Goals

The goals of this program are to: (1) support statewide efforts to develop or expand Elder Justice Coalitions; (2) provide evidence-based, trauma-informed TTA to existing coalitions across the Nation; (3) make and monitor subawards to seven Coalitions to support their growth and expansion; and (4) contribute to the growth of Elder Justice Coalitions as a field of practice.

Objectives
The Statewide Elder Justice Coalitions and Training and Technical Assistance Program grantee will:

- Make seven competitive subawards to new or expanding Elder Justice Coalitions.
- Monitor and support the seven subaward Coalitions by providing assistance with collecting appropriate performance data, reporting out key findings, conducting subaward monitoring, and providing online meetings and trainings.
- Develop and provide TTA to Elder Justice Coalitions (including but not limited to the seven subaward sites) to:
  - Promote partnership and effective coalition-building efforts.
  - Provide guidance on replicating effective practices to build capacity to assist older victims.
  - Support coordination at the federal, state, and local level with judicial or local law enforcement agencies to develop or enhance strategies to address identified problems.
- Solicit feedback from Elder Justice Coalitions to track how they implemented new policies or practices as a result of TTA.
- Identify existing resources, including but not limited to: training/educational programs, tools/resources to aid older citizens in their recovery following financial fraud, exploitation, physical and sexual abuse, hate crime, burglary, etc.
- Maintain sample policies, practices, and exemplary program materials, including in-service training material adaptable by the Coalitions to their unique state-based issues;
- Document the core competencies for Coalitions addressing traumatic stress interventions based upon both elder abuse and financial exploitation/frauds/scams (including access and language issues).
- Develop or enhance standards of services for member programs, including culturally and developmentally appropriate assessments and services.
- Document effective stakeholder partnership strategies (finding, sustaining, growing, etc.) for Coalitions and successful strategies for Coalition membership expansion.
- Coordinate with other OVC-funded Elder Justice TTA providers to avoid duplication of efforts through regular communication.
- Participate in conferences, roundtables, and other events as faculty presenters, as needed.
- Use technology to enhance and expand virtual TTA delivery and create regular opportunities for peer learning among Elder Justice Coalitions.

**Deliverables**

Deliverables under this program include:

1. Competitive solicitation document, and process, for the selection of seven Elder Justice Coalition subawards. [to be completed within the first 9 months of the award]
2. Pre-application webinar for subaward applicants, to explain the purpose of the Elder Justice Coalition subaward program, define allowable and unallowable costs, and describe financial and programmatic reporting requirements. [to be completed within the first 9 months of the award]

10. Required reports, including regular financial and programmatic reports, and a final report that outlines challenges, successes, strategic planning for TTA and a guide that can be shared with other states interested in developing an Elder Justice Coalition to ensure older victims of crime have access to trauma-informed, evidence-based services.

OV C will review and approve all deliverables, and in particular will make the final approval of subaward site selection.

Post-award the grantee will deliver a timeline for developing all deliverables over the 3 years of the project.

The Goals, Objectives, and Deliverables are directly related to the performance measures that show the completed work’s results, as discussed in the “Application and Submission Information” section.

Evidence-Based Programs or Practices

OJP strongly encourages the use of data and evidence in policymaking and program development for criminal justice, juvenile justice, and crime victim services. For additional information and resources on evidence-based programs or practices, see the OJP Grant Application Resource Guide.

Information Regarding Potential Evaluation of Programs and Activities

OJP may conduct or support an evaluation of the programs and activities funded under this solicitation. For additional information, see the OJP Grant Application Resource Guide section entitled “Information Regarding Potential Evaluation of Programs and Activities.”

OJP Priority Areas

The Department of Justice is committed to advancing work that promotes civil rights and racial equity, increases access to justice, supports crime victims and individuals impacted by the justice system, strengthens community safety and protects the public from crime and evolving threats, and builds trust between law enforcement and the community.

1. Priority Considerations Supporting Executive Order 13985, Advancing Racial Equity and Support for Underserved Communities Through the Federal Government

Consistent with this Executive Order, the term “underserved community” refers to a population sharing a particular characteristic, as well as a geographic community, that has been systematically denied a full opportunity to participate in aspects of economic, social, and civic life or whose members have been historically underserved, marginalized, and adversely affected by inequality. Such communities include, among others, Black people, Hispanics and Latino/a/e people, Native American and other Indigenous peoples of North America (including Alaska Natives, Eskimos, and Aleuts), Asian Americans, Native Hawaiians, and Pacific Islanders.

In support of Executive Order 13985, OJP will:

Give priority consideration to applicants that can demonstrate that their capabilities and competencies for implementing their proposed project(s) are enhanced because the applicant (or at least one proposed subrecipient that will receive at least 30% of the requested award funding, as demonstrated in the Budget Worksheet and Budget Narrative) identifies as a culturally specific organization. To receive this additional priority consideration, applicants must describe how being a culturally specific organization (or funding the culturally specific subrecipient organization(s)) will enhance their ability to implement the proposed project(s) and should also specify which culturally specific populations are intended or expected to be served or to
have their needs addressed under the proposed project(s).

Culturally specific organizations are defined for purposes of this solicitation as private nonprofit or tribal organizations whose primary purpose as a whole is to provide culturally specific services to, among others, Black people, Hispanics and Latino/a/e people, Native American and other Indigenous peoples of North America (including Alaska Natives, Eskimos, and Aleuts), Asian Americans, Native Hawaiians, and/or Pacific Islanders.

Note: Addressing this priority area is one of many factors that OJP considers in making funding decisions. Receiving priority consideration for a priority area is not a guarantee of an award.

For additional information, see the “How to Apply” section in the [OJP Grant Application Resource Guide](https://www.ojp.gov/grants/resource-guide) and the [DOJ Application Submission Checklist](https://www.ojp.gov/grants/resource-guide).

**Submission Dates and Time**

The **SF-424 and the SF-LLL** must be submitted in Grants.gov by 11:59 p.m. eastern time on June 13, 2022.

The **full application** must be submitted in JustGrants by 8:59 p.m. eastern time on June 27, 2022.
OJP urges applicants to submit their Grants.gov and JustGrants submissions prior to the due dates to allow sufficient time to correct errors and resubmit by the submission deadlines if a rejection notification is received. To be considered timely, the full application must be submitted in JustGrants by the JustGrants application deadline.

**Experiencing Unforeseen Technical Issues**

An applicant that experiences unforeseen SAM.gov, Grants.gov, or JustGrants technical issues beyond its control that prevent application submission by the deadline, must demonstrate all efforts in requesting technical support in order to submit an application by the deadline. Technical support is available via phone and email to the applicable SAM.gov, Grants.gov, or JustGrants support centers or service desks in which an applicant received a ticket number for resolution. If an applicant misses a deadline due to unforeseen technical difficulties, the applicant may request a waiver to submit an application after the deadline. **Note: If an applicant does not submit all the required Grants.gov forms by the Grants.gov deadline, the applicant will not be able to proceed to the JustGrants portion of the application process.**

An applicant experiencing technical difficulties with the following systems must contact the associated support desk indicated below to report the technical issue and receive a tracking number:

- Grants.gov - contact the [Grants.gov Customer Support Hotline](#)
- SAM.gov - contact the [SAM Help Desk (Federal Service Desk)](#)
- JustGrants - contact the JustGrants Support Desk at [JustGrants.Support@usdoj.gov](mailto:JustGrants.Support@usdoj.gov) or 833–872–5175

An applicant requesting a waiver to submit a late application must document their request for technical assistance in an email to the OJP Response Center at [grants@ncjrs.gov](mailto:grants@ncjrs.gov) within 24 hours after the application deadline to request approval to submit its application after the deadline. If an applicant has technical issues with Grants.gov, the applicant must contact the OJP Response Center within 24 hours of the Grants.gov deadline to request approval to submit after the deadline. Waiver requests to submit after the submission deadline must:

- Describe the technical difficulties experienced;
- Include a timeline of the applicant's submission efforts (e.g., what date and time did the error occur, what date and time was action taken to resolve the issue and resubmit; and what date and time did support representatives respond);
- Include an attachment(s) of the complete grant application and all required documentation and material;
- Include the applicant's Unique Entity Identifier (UEI), any applicable SAM.gov tracking number(s), Grants.gov Help Desk, and JustGrants Support Desk Ticket Numbers.

OJP will review each request for late submission and required supporting documentation and notify the applicant whether the request has been approved or denied. For more details on the waiver process, OJP encourages applicants to review the “Experiencing Unforeseen Technical Issues” section in the [OJP Grant Application Resource Guide](#).

**Application Review Information**

**Review Criteria**

Applications that meet the basic minimum requirements will be evaluated by peer reviewers. Applications will be evaluated on how the proposed project/program addresses the following criteria:

1. **Statement of the Problem/Description of the Issue (15%)** - evaluate the applicant’s understanding of the program/issue to be addressed.
2. **Project Design and Implementation (30%)** - evaluate the adequacy of the proposal, including the goals, objectives, timelines, milestones, and deliverables.
3. Capabilities and Competencies (30%) - evaluate the administrative and technical capacity of the applicant to successfully accomplish the goals and objectives.

4. Plan for Collecting the Data Required for this Solicitation’s Performance Measures (5%) - evaluate the applicant’s understanding of the performance data reporting requirements and the plan for collecting the required data.

5. Budget (15%) - evaluate for completeness, cost effectiveness, and allowability (e.g., reasonable, allocable, and necessary for project activities).

6. Other - Additional Attachments (5%) – evaluate the content of subaward policies and procedures, organizational chart, and resumes supporting the application.

Other Review Criteria/Factors

Other important considerations for OVC include geographic diversity, strategic priorities (specifically including, but not limited to, those priority areas already mentioned), available funding, past performance, and the extent to which the Budget Worksheet and Budget Narrative (web-based form) accurately explain project costs that are reasonable, necessary, and otherwise allowable under federal law and applicable federal cost principles.

Review Process

Applications submitted under this solicitation that meet the basic minimum requirements, will be evaluated for technical merit by a peer review panel(s) in accordance with OJP peer review policy and procedures using the review criteria listed above.

OJP screens applications to ensure they meet the basic minimum requirements prior to conducting the peer review. Although specific requirements may vary, the following are common requirements applicable to all OJP solicitations:

- The application must be submitted by an eligible type of applicant.
- The application must request funding within programmatic funding constraints (if applicable).
- The application must be responsive to the scope of the solicitation.
- The application must include all items necessary to meet the basic minimum requirements.

Pursuant to the Part 200 Uniform Requirements, before award decisions are made, OJP also reviews information related to the degree of risk posed by the applicant. Among other things to help assess whether an applicant with one or more prior federal awards has a satisfactory record with respect to performance, integrity, and business ethics, OJP checks whether the applicant is listed in SAM as excluded from receiving a federal award.

In addition, if OJP anticipates that an award will exceed $250,000 in federal funds, OJP also must review and consider any information about the applicant that appears in the non-public segment of the integrity and performance system accessible through SAM (currently, the Federal Awardee Performance and Integrity Information System, FAPIIS).

Important note on FAPIIS: An applicant may review and comment on any information about itself that currently appears in FAPIIS and was entered by a federal awarding agency. OJP will consider such comments by the applicant, in addition to the other information in FAPIIS, in its assessment of the risk posed by the applicant.

Absent explicit statutory authorization or written delegation of authority to the contrary, all final award decisions will be made by the Assistant Attorney General, who may consider not only peer review ratings and OVC recommendations, but also other factors as indicated in this section.
