Program Description

Overview

OJP is committed to advancing work that promotes civil rights and racial equity, increases access to justice, supports crime victims and individuals impacted by the justice system, strengthens community safety and protects the public from crime and evolving threats, and builds trust between law enforcement and the community.

OVC’s mission is to enhance the Nation’s capacity to assist crime victims and provide leadership in changing policies and practices to promote justice and healing for all victims of crime. OVC achieves this mission, in part, by administering discretionary award programs supported by the federal Crime Victims Fund to develop innovative training and technical assistance, and to provide direct services to improve the overall quality of victim assistance.

The OVC Victims of Crime Act (VOCA) Victim Compensation Fellow Program supports a grantee Fellow at OVC. The individual who is awarded funding under this program will work collaboratively with OVC and the crime victim services’ field to identify barriers that prevent all victims of crime, including victims of color, from accessing and receiving compensation, improve support and resources for state victim compensation programs, and promote equity in access to and receipt of compensation funding.

Statutory Authority

34 U.S.C. § 20103(c)(1)(A) and (c)(3)(E)(i)

Specific Information

This program will support one Fellow assigned to OVC’s State Victim Resource Division (SVRD). The compensation Fellow will work with OVC staff, compensation administrators, and relevant stakeholders in the victim services field to identify ways to increase awareness of and access to state victim compensation programs. The compensation Fellow would focus on those communities that historically have not accessed or received compensation funding at the same rate as other eligible victim populations. The selected Fellow will have demonstrated expertise in working with VOCA Victim Compensation programs and OVC.

Schedule: The grantee Fellow will work full time on project activities and deliverables throughout the project period. Grantee Fellows will work with their grant managers to determine their individual schedules during the grant period.

Time sheets: Fellows will request scheduled drawdowns of grant funds under their awards based on the level of effort contributed toward the grant (time spent working on grant deliverables). The grantee must maintain time sheets and other documentation that substantiates and supports the grantee’s level of effort for each drawdown period, and this documentation shall be available for inspection and review upon request from OVC during the grant.

Progress reports: Progress reports will be used to ensure that the Fellow’s activities support the stated purpose of the award and that the fellowship’s deliverables are being met as established by the approved schedule for that reporting period. The Fellow’s financial, administrative, and programmatic compliance—and overall performance—will be monitored by a Grants Management Specialist within the assigned division, with ultimate oversight by an OVC Deputy Director or Associate Director.

Equipment/supplies: OJP will provide equipment, including a computer, a telephone, and office supplies. When onsite, OJP will provide workspace and Internet access.

Security clearance: Any offer of a fellowship award may be contingent upon the applicant successfully passing a complete and thorough background investigation and drug test.

Relationship to OVC: Fellows are grantees and not federal employees, and therefore lack any inherent governmental authority. This means grantee Fellows do not speak on behalf of the Federal Government, nor can
they make decisions on behalf of the government. Grantee Fellows are expected to conduct themselves in a professional manner at all times while working on fellowship grant activities. When grantee Fellows are onsite, they are expected to comply with the workplace requirements generally applicable to employees at the work site.

Federal debt: Applicants must certify in their application that they have no delinquent federal student loans or other unresolved federal debt, including unresolved federal tax debt.

Lobbying: Applicants may not be registered lobbyists at the time that the fellowship award is made or during the period of the fellowship.

Financial management training: Successful applicants must take the online financial management training for grantees to ensure understanding of the requirements associated with recordkeeping and reporting. Information about the DOJ Grants Financial Management Online Training can be found at https://ojp.gov/training/training.htm.

It is OVC’s expectation that the selected grantee Fellow will work closely with OVC and OVC’s training and technical assistance partners to participate in information sharing and engage in peer-to-peer learning exchanges and other activities that are relevant to working with state compensation programs, and will support the Fellow in achieving the goals, objectives, and deliverables of this program.

Goals, Objectives, Deliverables, and Timeline

Goals
The goal of this fellowship program is to strengthen and enhance compensation programs with a focus on collaborating with the crime victim services’ field to identify barriers that prevent all victims of crime, including victims of color, from accessing and receiving compensation, improving support and resources for state victim compensation programs, and promoting equity in access to and receipt of compensation funding.

Objectives

- Assist OVC/OJP work with compensation administrators to support compensation programs.
- Assess individual state compensation programs and applicable laws, rules, regulations, policies, and other guidance or programs impacting the operations and execution of state compensation programs.
- Identify barriers that prevent all victims of crime, including victims of color, from accessing and receiving compensation, and provide recommendations at the national and state levels to overcome those barriers.
- Advance OVC/OJP’s support of compensation programs to promote equity in access to and receipt of compensation funding.
- Identify model best practices across victim compensation programs, share these best practices with OVC and other state programs, and develop trainings/public outreach efforts to raise awareness about these practices.
- Make recommendations to OVC about how to institutionalize communication and collaboration innovations that will improve coordination with the compensation administrators.

Deliverables

- A nationwide assessment of state victim compensation programs, incorporating previous OVC/OJP and other field-generated work in this area.
- A report on recommendations to improve OVC/OJP’s efforts to enhance communication with states regarding victim compensation programs. This will include recommendations for OVC to institutionalize improved communication and collaboration with compensation administrators.
- A report on recommendations to improve OVC/OJP’s support of state victim compensation systems, policies, and structures, to include: (a) identified barriers that prevent all victims of crime, including victims of color, from accessing and receiving compensation; (b) recommendations at the national and state levels to overcome those barriers; and (c) recommendations to advance OVC/OJP efforts to promote equity in access to and receipt of compensation funding.
  - Trainings, outreach, public awareness efforts, and public resources, which are developed and conducted to raise awareness about OVC’s efforts to increase support to state compensation programs.
• Work with OVC’s training and technical assistance partners to hold listening sessions with organizations representing marginalized communities, survivors, and compensation administrators to gain a better understanding of improvements that need to be made to the victim compensation program.
• Monthly reports submitted to the Program Manager outlining the activities completed.

The Goals, Objectives, and Deliverables are directly related to the performance measures that show the completed work’s results, as discussed in the “Application and Submission Information” section.

Evidence-Based Programs or Practices
OJP strongly encourages the use of data and evidence in policymaking and program development for criminal justice, juvenile justice, and crime victim services. For additional information and resources on evidence-based programs or practices, see the OJP Grant Application Resource Guide.

Information Regarding Potential Evaluation of Programs and Activities
OJP may conduct or support an evaluation of the programs and activities funded under this solicitation. For additional information, see the OJP Grant Application Resource Guide section entitled “Information Regarding Potential Evaluation of Programs and Activities.”

Continuation Funding Intent
OVC may, in certain cases, provide additional funding in future years to awards made under this solicitation through continuation awards. OJP will consider, among other factors, OJP’s strategic priorities, a recipient’s overall management of the award, and the award-funded work’s progress, when making continuation award decisions.

Availability of Funds
This solicitation, and awards (if any are made) under this solicitation, are subject to the availability of appropriated funds and to any modifications or additional requirements that may be imposed by the agency or by law. In addition, nothing in this solicitation is intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

Types of Awards
OVC expects to make awards under this solicitation as cooperative agreements, which provide for OJP to have substantial involvement in carrying out award activities. See the “Administrative, National Policy, and Other Legal Requirements” section of the OJP Grant Application Resource Guide for additional information.
Financial Management and System of Internal Controls

Award recipients and subrecipients (including recipients or subrecipients that are pass-through entities) must, as described in the Part 200 Uniform Requirements as set out at 2 C.F.R. 200.303, comply with standards for financial and program management. See the OJP Grant Application Resource Guide for additional information.

Budget Information

The following are the only allowable expenses under this solicitation:

- **Personnel (salary)** must demonstrate that salary amounts are determined by education and experience. Benefits are not included as part of salary. If the application is selected for an award, applicants may be required to provide a copy of their last two federal tax returns (with their Social Security number redacted) or other documentation of salary or consulting income history.
- **Fringe benefits** may include life, health, and disability insurance; state workers’ compensation; retirement plan; FICA (the employer match of 7.65 percent of salary only); and a public transportation stipend that does not exceed $270 monthly, based on actual expenses. (This amount is based on the current maximum transit subsidy monthly benefit for federal employees and is subject to change.) Applicants must clearly identify which benefits they are requesting and the actual calculations. For example, if the individual is requesting health insurance, the applicant should indicate the amount paid monthly and multiply by 12 to get the annual expense.
- **Travel expenses** will involve site visits, attendance at conferences and meetings, and participation in training and professional development training (as permitted by public health regulations). Applicants should budget for 16 trips over the 3-year period. All trips should be budgeted at $1,500 each, with a notation that date, location, and nature of travel will be determined in consultation with OVC management after the award is made. The applicant should include in the Budget Narrative a notation that travel costs, such as per diem and lodging, will not exceed the federal guidelines.
- **Supplies** may include expenses to cover professional reference materials and resources relating to the fellowship activities (not to exceed $500) and business cards (not to exceed $30).
- **Expenses** associated with professional development and training relating to the OVC fellowship project. Fees for up to four trainings at up to $1,000 each should be included. At minimum, one training must be on racial equity/justice. Note: Many training opportunities will be in the Washington, D.C., area, which would be local for an onsite Fellow; however, final decisions will be made in consultation with the grantee Fellow’s grant manager. Applicants should identify the type of training that they believe would be most helpful to them in carrying out fellowship activities.

The following expenses are not allowable under this solicitation:

- Equipment, such as costs for laptops or other equipment that will be supplied by OJP.
- Moving expenses.
- International travel.

**Application Review Information**

**Review Criteria**

**a. Merit Review Criteria**

Applications that meet the basic minimum requirements will be evaluated by peer reviewers on how the proposed project/program addresses the following criteria:

1. Statement of the Problem/Description of the Issue (20%) - evaluate the applicant’s understanding of the program/issue to be addressed.
2. Project Design and Implementation (20%) - evaluate the adequacy of the proposal, including the goals, objectives, timelines, milestones, and deliverables.
3. Capabilities and Competencies (45%) - evaluate the administrative and technical capacity of the applicant to successfully accomplish the goals and objectives.
4. Plan for Collecting the Data Required for this Solicitation’s Performance Measures (5%) - evaluate the applicant’s understanding of the performance data reporting requirements and the plan for collecting the required data.
5. Budget (10%) - evaluate for completeness, cost effectiveness, and allowability (e.g., reasonable, allocable, and necessary for project activities).

b. Other Review Criteria/Factors
Other important considerations for OVC include geographic diversity, strategic priorities, available funding, past performance, and the extent to which the Budget Worksheet and Budget Narrative (web-based form) accurately explain project costs that are reasonable, necessary, and otherwise allowable under federal law and applicable federal cost principles.

Review Process
Applications submitted under this solicitation that meet the basic minimum requirements, will be evaluated for technical merit by a peer review panel(s) in accordance with OJP peer review policy and procedures using the review criteria listed above.

OJP screens applications to ensure they meet the basic minimum requirements prior to conducting the peer review. Although specific requirements may vary, the following are common requirements applicable to all OJP solicitations:

- The application must be submitted by an eligible type of applicant.
- The application must request funding within programmatic funding constraints (if applicable).
- The application must be responsive to the scope of the solicitation.
- The application must include all items necessary to meet the basic minimum requirements.

Pursuant to the Part 200 Uniform Requirements, before award decisions are made, OJP also reviews information related to the degree of risk posed by the applicant. Among other things to help assess whether an applicant with one or more prior federal awards has a satisfactory record with respect to performance, integrity, and business ethics, OJP checks whether the applicant is listed in SAM as excluded from receiving a federal award.

In addition, if OJP anticipates that an award will exceed $250,000 in federal funds, OJP also must review and consider any information about the applicant that appears in the non-public segment of the integrity and performance system accessible through SAM (currently, the Federal Awardee Performance and Integrity Information System, FAPIIS).

Important note on FAPIIS: An applicant may review and comment on any information about itself that currently appears in FAPIIS and was entered by a federal awarding agency. OJP will consider such comments by the applicant, in addition to the other information in FAPIIS, in its assessment of the risk posed by the applicant.

Absent explicit statutory authorization or written delegation of authority to the contrary, all final award decisions will be made by the Assistant Attorney General, who may consider not only peer review ratings and OVC recommendations, but also other factors as indicated in this section.
