Program Description

This solicitation seeks to fund one entity to implement, manage, and sustain the Measures for Providers Responding to Victimization Experiences (iMPRoVE) project for victim service providers. The iMPRoVE project provides an assessment survey tool for victim service providers to use to measure outcomes and assess the effectiveness and quality of services provided to their clients. OVC is working to help drive the victim service field from a focus on effort to a focus on results and effectiveness by creating a standardized approach to measuring the outcomes and quality of services across the field.
Specific Information

The iMPRoVE tool uses best practices in survey research and accounts for the fact that different types of service providers have different intended outcomes for their services. This extensively tested and validated instrument with a user-friendly software platform enables service providers to readily collect and analyze outcome and satisfaction measures. It provides victim service providers with a systematic way of listening to the clients’ voices to ensure their needs are being met to the greatest extent possible and it allows providers to quantify the extent to which their services meaningfully affect victims’ lives.
The goal of this solicitation is for the award recipient to implement, manage, and sustain the Measures for Providers Responding to Victimization Experiences (iMPRoVE) project for victim service providers.
Objectives

- **Education/Training:** Responsible for bringing awareness and communication about the iMPRoVE tool and its benefits for victim service providers, along with training victim service providers with the user guide and tool kit.

- **iMPRoVE Survey Implementation and Management:** Responsible for distributing the iMPRoVE tool to victim service providers, managing and overseeing participating providers, and sustaining the tool across new and existing participants.

- **Data Collection and Analysis:** Responsible for proper data collection and sharing agreements, cleaning and managing data from respondents, analyzing survey responses, and providing feedback to victim service providers.

- **System Upkeep:** Works with OVC to determine appropriate servers for storing the data in addition to providing management and technical assistance for the data collection platform.

Submission of the Full Application into JustGrants and Grants.gov
Due: July 12, 2022
Application Submission Overview

Applicants have two application submission deadlines:

1. Grants.gov (submitting the SF-424 and SF-LLL)
2. JustGrants

It’s OK to enter preliminary budget or programmatic data in Grants.gov and update later in JustGrants.

A JustGrants submission should include all items as defined in the solicitation.
Step 1: Apply in Grants.gov

DOJ applications require you to complete two things:

1. The Funding Opportunity and Application Package on Grants.gov.
   1) Select Apply for Grants under the Applicants column.
   2) Enter your email address to be notified of any changes to the opportunity package before the closing date.
   3) Click the Workspace icon to use Grants.gov.

2. The SF-424 and SF-LLL on Grants.gov.
   Within 48 hours of SF-424 and SF-LLL submission, you should receive two notifications from Grants.gov.
   1) Confirming the receipt of the SF-424 and SF-LLL.
   2) Stating whether the SF-424 and SF-LLL were successfully validated and submitted or were rejected due to errors—with an explanation.
Step 2: Apply in JustGrants

Applicants will then submit the **full application** including attachments in JustGrants at [JustGrants.usdoj.gov](http://JustGrants.usdoj.gov).
Web-based Forms for Submission in JustGrants

There are certain web-based forms that must be submitted directly into the system.

- Proposal Abstract
- Solicitation-Specific Data submitted with the Application
- Goals, Objectives, Deliverables, and Timelines
- Budget Detail Form
- Application Disclosure of Duplication Cost Items

Pay attention to required sections. If a section is required and presents you with web-based entries, you cannot upload a document instead. You must use the format required in the application.
What to Expect After Submitting an Application

The entity will be notified that they have received an award when all applications for the solicitation have been reviewed before September 30.

The system will notify:
- The Entity Administrator and Authorized Representative when the deadline for applications has changed.
- The Application Submitter, Entity Administrator, and Authorized Representative when the application is received in JustGrants from Grants.gov.
- The Entity Administrator when the award notification has been sent.

The entity should check the system regularly so that any upcoming deadlines for submitting applications and documentation are addressed in a timely manner.

Once the application deadline passes in JustGrants, you may see a banner that says it is past due. If your status is “Submitted,” your application has been received by DOJ and you can ignore the past due banner.
