### DOJ Grant Application Submission Checklist

Prepare early—any time during the year—to ensure your registration and users are up to date in every system you'll use to apply for DOJ funding. Then, when opportunities post, you will be ready to apply through a two-step process:

- **Step 1:** Submit the first part of the application in Grants.gov by the specified deadline.
- **Step 2:** Complete the application in JustGrants by the specified deadline.

The following tips will help you prepare for and complete DOJ grant applications. For additional guidance on the application process, visit the JustGrants [Application Submission webpage](#).

#### BEFORE YOU BEGIN: SAM.gov Registration

To apply for any federal funding, your organization must have an active registration in the System Management (SAM.gov) and be assigned a Unique Entity Identifier (UEI).

Choose the action that best fits your entity:

- ☐ **Get Started:** New to the system? Sign up for a SAM.gov account, register your entity, and obtain a UEI.
- ☐ **Renew Entity:** Already signed up? Renew your entity's registration and confirm your contact information. Registrations must be renewed annually.
- ☐ **Check Entity Status:** Unsure whether your registration is active or if your organization is in the SAM.gov system?

Start the SAM.gov registration process **30 days** before application deadlines.

An expired or incomplete SAM.gov registration will prevent you from applying for funding.
