## Program Description

### Overview

OJP is committed to advancing work that promotes civil rights and racial equity, increases access to justice, supports crime victims and individuals impacted by the justice system, strengthens community safety and protects the public from crime and evolving threats, and builds trust between law enforcement and the community.

To enhance capacity to identify, assist, and provide services to all victims of human trafficking, OVC leads the Nation in supporting victim-centered and trauma-informed programs, policies, and resources that promote justice, access, and empowerment.

With this solicitation, OVC seeks to provide funding for housing services for victims of human trafficking, as defined by 22 U.S.C. § 7102(11).

### Statutory Authority

22 U.S.C. § 7105(b)(2)

### Specific Information

The purpose of this program is to develop, expand, and/or strengthen funded organizations so they can provide housing and associated support services to victims of human trafficking.

This solicitation has three purpose areas with specific goals, objectives, and deliverables. Purpose Areas 1 and 2 will support direct housing assistance to victims of human trafficking, while Purpose Area 3 will provide training and technical assistance (TTA) to organizations providing housing assistance to survivors of trafficking. Applicants are strongly encouraged to read through each category carefully to ensure that their application is tailored to fit the requirements identified in this solicitation.

### **Purpose Area 1: Developing Capacity to Provide Housing Assistance to Human Trafficking Victims**

The purpose of these awards is to support (1) organizations that have experience providing housing services but that have limited or no prior experience in serving victims of human trafficking; (2) anti-trafficking organizations that have limited or no prior experience in providing housing services to victims of human trafficking, and/or (3) organizations that have no prior experience in receiving direct federal funding to serve victims of human trafficking. During the first 12 months of the project period, grantees will work with designated OVC human trafficking TTA providers to build internal capacity to provide housing services for survivors of labor and sex trafficking and implement a federal award. Grantees will hire staff who have experience providing services to human trafficking victims or train existing staff to address identified skill or knowledge deficits. During the last 24 months of the program, grantees will provide housing assistance and

support services for human trafficking victims. See Appendix A for the types of services that OVC funds.

### **Purpose Area 2: Enhancing Access to Housing Assistance for Human Trafficking Victims**

Under Purpose Area 2, awards will be made to organizations with a demonstrated history of providing human trafficking victims with housing assistance and support services (or that have a formal partnership with a victim service provider with demonstrated experience). The purpose of these awards is to enhance victims' access to housing assistance and the diverse support services that victims of labor and sex trafficking often require to address their needs. See Appendix A for the types of services OVC funds. In addition to providing housing assistance, applicants funded under this purpose area are expected to use OVC funding to support two additional types of services for victims of human trafficking receiving housing assistance, either directly or through subrecipients.

Additionally, grantees will be expected to have or develop partnerships to enable survivors to access a variety of housing options in their community. Successful applicants are also expected to expand collaborative partnerships among federal, state, local, and tribal housing providers and system- and community-based service providers during the award period to identify safe, affordable housing options and remove barriers for victims of human trafficking in obtaining housing.

### **Housing and Support Services for Purpose Areas 1 and 2**

Providing rapid rehousing is the primary focus of Purpose Areas 1 and 2. [Rapid rehousing](#) is a type of housing assistance in which supportive services and transitional housing are provided to assist victims in moving as quickly as possible into permanent housing and achieving stability.

For some victims and in some housing markets, the short-term use of emergency shelter or crisis housing may be required to facilitate access to long-term sustainable housing. If the applicant proposes a project involving emergency shelter or crisis housing, the applicant must work with victims to identify longer term housing as soon as it is safe and feasible for the victim, while providing necessary case management and culturally responsive support services. Applications focused primarily on emergency shelter or crisis housing are out of scope for this solicitation and may be excluded from peer review consideration.

Applicants may propose housing assistance related to the following:

- **Emergency shelter**, meaning a type of shelter or non-permanent housing in which a victim of human trafficking may be placed for less than 6 months, depending on the immediate need and preference of the victim. Crisis housing can be provided on an emergency, temporary basis, which may include congregate shelter and/or hotel/motel placements as a bridge to imminent shelter openings or other housing.
- **Transitional housing assistance**, meaning temporary housing offered for at least 6 months and no more than 24 months that helps victims transition into permanent housing. Transitional housing is not an extended shelter stay.

- **Short-term housing assistance**, meaning rental assistance and/or other financial assistance (e.g., utility assistance, relocation costs) offered for at least 6 months and no more than 24 months that helps victims transition into permanent housing. Under this solicitation, these activities are not considered short-term housing assistance: emergency shelter, rental assistance offered for less than 6 months, or financial assistance for victims not provided with housing.

While the majority of funds under Purpose Areas 1 and 2 must support housing services, applicants must also dedicate project funds to culturally responsive and meaningfully accessible services that support victims and any dependents in securing permanent housing, such as case management, employment and education services, and more. See Appendix A for the types of services OVC funds. Support services under this solicitation are limited to individuals receiving housing assistance as defined above (other than followup services described under the “Mandatory Program Requirements” section).

### **Collaboration and Training for Purpose Areas 1 and 2**

Applicants under Purpose Areas 1 and 2 are encouraged to use federal funds to create or support a [housing navigator](#) position to build collaborative partnerships to identify housing options and remove barriers for victims of human trafficking in obtaining housing. Other tasks for this position may include the following:

- Assisting victims in locating, obtaining, and retaining suitable housing, including tenant counseling (e.g., being responsible for rent as indicated in the lease).
- Assisting victims in understanding the language in leases and their rights and responsibilities.
- Educating stakeholders and landlords about housing protections available to victims.
- Aiding in lease negotiations with landlords.
- Assisting victims with challenges that may arise related to rent payment, housing conditions, or other concerns.
- Attending local housing-stakeholder meetings (e.g., Continuum of Care, Public Housing Authority) and developing relationships with local landlords and apartment associations.

While they work directly with clients, housing navigators generally have different responsibilities from case managers or advocates. Separating the case manager role from the housing navigator role helps to ensure each role is specialized, emphasized, and appropriately staffed according to skills and experience best suited for the duties of each.

Additionally, if an applicant does not have documented experience in serving victims of human trafficking, the application must include a Letter of Intent or Memorandum of Understanding (MOU) from a victim service provider as a required partner. The victim service provider partner must play an active role in developing and implementing the

project. Applications must demonstrate that the victim service provider is significantly involved in the project design and development, including the development and/or review of all policies and procedures, and describe how the applicant will ensure that anyone working with survivors is trained to work with victims of human trafficking.

In addition to building community collaboration, successful applicants will conduct training and public awareness activities for housing stakeholders (e.g., [Continuums of Care](#), [Public Housing Agencies](#), community-based and/or tribal organizations, private landlords) to improve their knowledge of human trafficking and ability to identify and respond appropriately to victims.

### **Mandatory Program Requirements for Purpose Areas 1 and 2**

**Applicants that receive funding under this program will be required to do the following:**

1. Submit the policies, procedures, and rules governing the provision of services for review upon OVC request (post-award).
2. Ensure that their policies and procedures follow applicable federal and state laws protecting the civil rights of program participants and staff (post-award).
3. Ensure that any staff, partner staff, or service providers working with trafficking victims are adequately licensed and trained to work with such victims, including by accessing OVC-supported TTA.
4. Ensure that the project coordinator/program director and other relevant staff participate in any grantee orientations and OVC-sponsored TTA.
5. As part of routine programmatic reporting, describe ongoing efforts to enhance responses to labor trafficking.
6. Send the project coordinator or program director and one other key staff member to a virtual OVC grantee orientation and have relevant staff participate in OVC-sponsored TTA.
7. Provide all grant-funded staff at least one session of training annually (to be delivered by individuals or organizations with reasonable and demonstrable expertise) related to diversity, equity, inclusion, and/or accessibility and tied to program goals and objectives.
8. Offer referrals to followup culturally responsive support services for trafficking victims who secure permanent housing. Followup services are limited to advocacy, support groups, case management, and minimal financial assistance (e.g., first month's rent for permanent housing).

### **Purpose Area 3: Housing Training and Technical Assistance**

Survivors of human trafficking often experience challenges in securing and retaining safe, affordable housing, particularly survivors who face multiple barriers, such as criminal records, limited English proficiency, immigration status, and lack of credit history. In its [2022 Annual Report](#), the U.S. Advisory Council on Human Trafficking observed that access to affordable housing combined with engagement in the justice system increases individuals' vulnerabilities to human trafficking. In addition, few emergency shelters or

housing programs are trained or equipped to serve victims of human trafficking. Facilitating survivors' access to permanent housing and self-sufficiency is essential in providing stability and promoting survivor well-being. Since 2020, OVC has supported specialized TTA focused on building the capacity of victim service and housing providers to provide housing assistance to victims of all forms of human trafficking. This housing TTA award continues that work.

The purpose of this project is to (1) support OVC's human trafficking housing grantees and their partners in meeting their award goals and objectives and (2) provide practitioner-driven, evidence-based TTA to victim service providers and housing entities to develop, expand, or enhance housing assistance for all victims of human trafficking.

The applicant will work with victim service and housing programs providing housing assistance to trafficking victims, with priority support given to OVC anti-trafficking housing grantees, to assist with identifying challenges and opportunities to better meet the full range of housing needs of survivors of human trafficking. The applicant must be able to assist service providers on a national scale in leveraging existing federal, state, local, and private housing programs and initiatives that trafficking survivors may qualify for, and should demonstrate partnerships with relevant housing stakeholders. Applicants must demonstrate knowledge of a range of emergency, short-term, and long-term housing and shelter options and models, including transitional housing, rental assistance, and others. Applicants should demonstrate how they will assist OVC human trafficking grantees and other service providers as they address the diverse housing needs of all types of victims of trafficking. The TTA provider will work closely with OVC, other OVC-funded [human trafficking TTA providers](#), and other key stakeholders to leverage resources and collaboratively support the needs of OVC anti-trafficking grantees and the broader anti-trafficking field.

At a minimum, the successful applicant will engage in the following activities, among others, as required, to meet the project's goals and objectives.

1. Provide proactive technical assistance to OVC grantees implementing human trafficking housing awards. The TTA provider will deliver intensive support annually to recipients of OVC housing assistance awards during their first year of implementation (approximately 15–20 awards per fiscal year) and ongoing support for organizations implementing existing awards. Support should include—
  - a. conducting routine and in-depth program consultations and troubleshooting to support grantees in meeting their program goals and objectives, including onsite TTA to grantees selected by OVC.
  - b. reviewing housing policies and standard operating procedures for funded anti-trafficking housing assistance programs.
  - c. sharing information on anti-trafficking housing assistance award requirements.
  - d. facilitating structured peer support and mentoring between OVC housing grantees based on program type and/or housing assistance model as well as among designated housing navigators.
  - e. helping grantees navigate national and local systems related to housing and

- homelessness and facilitating partnerships with key stakeholders in those systems.
- f. identifying partnerships to assist with supportive services and permanent housing for victims.
- g. supporting grantees in developing sustainability planning for housing programs.
- h. working with OVC to virtually onboard new anti-trafficking housing assistance grantees.
  - a. managing grantee listservs and correspondence.
- 2. Deliver training and technical assistance on effective collaboration and housing assistance for trafficking survivors, to include—
  - a. developing and disseminating resources and training on victim identification, housing options, community partnerships, voluntary services, and program assessment.
  - b. maintaining a consultant database of subject matter experts with diverse expertise.
  - c. providing and maintaining online access to housing-related resources for anti-trafficking grantees and victim service providers. During the first year, the grantee will work with OVC and other human trafficking TTA providers to determine the needs of the grantee pool and the field and propose a recommended approach for a web presence.
  - d. convening subject matter experts in collaboration with OVC to explore gaps, identify opportunities, and propose solutions in housing assistance for victims of human trafficking.
  - e. providing training at relevant conferences, through webinars, or through other mechanisms.
- 3. Collaborate proactively with other anti-trafficking TTA providers to prevent duplication and strengthen accessibility of resources, to include—
  - a. engaging in regular communication with other OVC-funded TTA providers, including participating in regular and ad hoc TTA provider workgroups meetings.
  - b. referring grantees to other TTA providers as needed.
  - c. developing and delivering joint TTA, such as webinars and grantee meeting sessions.
  - d. working collaboratively with other OVC-funded TTA providers as required by OVC.
- 4. Support data collection and program assessment, to include—
  - a. disseminating information on engaging in [action research](#) to enhance programming, including supporting grantees in collecting and incorporating client satisfaction data to strengthen program performance.
  - b. collecting data on TTA and participating performance management and assessment activities to determine if the program is meeting stated goals and objectives.
  - c. implementing a mechanism to solicit feedback from TTA recipients to track if and how they implemented policies or practices and/or if they reported improvement in operations in the relevant purpose area as a result of TTA.

## Goals, Objectives, and Deliverables

## Goals

For **Purpose Areas 1 and 2**: The goal of this program is to support organizations with the capacity to implement collaborative, coordinated, and comprehensive housing models in providing trafficking survivors with safe, stable housing and appropriate trauma-informed, victim-centered, and culturally responsive services. Organizations are to engage with appropriate local partners to address the needs of victims of human trafficking leading to increased autonomy, self-sufficiency, safety, and well-being.

For **Purpose Area 3**: The primary program goals are to—

1. support victim service and housing providers to develop, enhance, and expand housing assistance for victims of human trafficking.
2. strengthen and expand the skills, expertise, and capacity of victim service and housing providers to provide trauma-informed services to victims of human trafficking.
3. increase collaboration among anti-trafficking service providers, community partners, and other stakeholders to enhance identification, referrals, and service delivery.
4. support OVC anti-trafficking housing grantees in meeting their award goals and objectives.

Support is to be provided to victim service and housing providers funded under the OVC HT Housing program (and those that are not) on developing, enhancing, and expanding housing assistance for victims of human trafficking. This program will continue the TTA support delivered to OVC anti-trafficking grantees under the [OVC FY 2020 Specialized Training and Technical Assistance on Housing for Victims of Human Trafficking](#) solicitation.

## Objectives

An applicant should address all the objectives listed below in the Goals, Objectives, Deliverables and Timeline web-based form.

For **Purpose Areas 1 and 2**: The objectives are to—

1. deliver and expand housing interventions and related support services for victims of human trafficking.
2. collaborate with and train local partners (e.g., housing and service providers, community- and faith-based organizations) to improve their knowledge and ability to identify and appropriately respond to human trafficking victims.
3. provide victims of human trafficking with [trauma-informed, victim-centered](#) support services or referrals for other essential services.
4. develop and implement housing policies and training that consistently incorporate

- [low-barrier](#), victim-centered, trauma-informed, and collaborative approaches.
5. work collaboratively with federal, state, and local entities to identify barriers to housing and develop collaborative models to meet the housing needs of victims of human trafficking.
  6. improve outcomes for victims of human trafficking.
  7. collect data and conduct ongoing assessment activities to determine if the program is meeting the stated goals and objectives.

For **Purpose Area 3**: The overall objectives are to provide training and technical assistance and subject matter expertise to organizations in achieving increased safety, independence, self-efficacy, and well-being for victims of human trafficking in need of housing using a [trauma-informed, victim-centered](#) model. The objectives are to—

1. provide intensive TTA to OVC grantees implementing human trafficking housing awards, including establishing and building relationships among grantees and local stakeholders, and reviewing policy and procedure materials.
2. develop and disseminate resources and training on housing options and collaborations, applicable civil rights statutes, and program sustainability.
3. increase service providers' expertise and specialized skills.
4. collaborate with other OVC human trafficking TTA providers.
5. support award assessment activities.

## **Deliverables**

**For Purpose Areas 1 and 2**: The deliverables to be provided are services, measured quarterly by service-hour or units delivered; type of service; number of new and continuing victims served; and other key data points.

The goals, objectives, and deliverables are directly related to the performance measures that show the completed work's results, as discussed in the "Application and Submission Information" section.

All successful applicants may be required to submit and amend their existing housing policies and procedures to align with [OVC Model Standards](#) and practices as outlined under the "Enhancing Access to Services and Promoting Survivor Autonomy" section.

**For Purpose Area 3**: Deliverables include the training and technical assistance provided, measured semi-annually by TTA requests received, TTA requests delivered, type of TTA provided, number of persons trained, and other key data points.

## **Strengthening Responses to Labor Trafficking**

Through its award funding, training and technical assistance, and collaboration with federal partners, OVC has worked to strengthen identification of and responses to labor trafficking victims in the United States. Despite these efforts, labor trafficking remains misunderstood, under-identified, underreported, and often unaddressed. As reflected in

OVC grantee data, many individuals experience polyvictimization, including both labor and sex trafficking. To increase identification and expand access to services and justice for victims of labor trafficking, OVC is strengthening its expectations of organizations that receive anti-trafficking award funds. More information about gaps and opportunities in the response to this form of human trafficking is available on [OVC's website](#). Organizations with all levels of experience responding to and serving labor trafficking victims are encouraged to apply, including those that have historically focused exclusively on responding to sex trafficking who are interested in enhancing their responses to labor trafficking.

## **Ensuring Civil Rights**

Federal laws prohibit recipients of funding administered by the OJP from discriminating in the delivery of services on the basis of age, race, color, national origin, religion, or disability. Applicable federal laws also prohibit recipients from discriminating on the basis of disability in their employment practices, and from discriminating against employees and beneficiaries on the basis of sex in funded education or training programs. Recipients are also obligated under federal civil rights laws to provide meaningful access to their programs and activities for persons with [limited English proficiency](#). Under certain circumstances, it might be permissible to limit services based upon age. Please note that other federal, state, or local laws prohibiting discrimination may apply.

## **Enhancing Access to Services and Promoting Survivor Autonomy**

OVC is committed to an approach to human trafficking that is trauma-informed, victim-centered, survivor informed, culturally responsive; and evidence-based. Definitions of these concepts are available in the glossary of [OVC's Model Standards for Serving Victims and Survivors of Crime](#).

In line with these concepts and to enhance survivors' access to victim services, programs funded under this solicitation will engage in practices that remove barriers to receiving services and support survivor autonomy. Such practices will reduce requirements to engage in services, promote survivors' choice within service delivery, and protect victim privacy and confidentiality.

Funded programs will demonstrate their commitment to this approach by maintaining the following. (Note: Many of these requirements are mandated by federal civil rights laws, while others reflect OVC's policy direction to recipients to enhance access to services and promote survivor autonomy.)

- Procedures or policies that provide all survivors access to safe shelter, advocacy services, counseling, and other assistance without exclusions based on actual or perceived sex, age, immigration status, race, religion, sexual orientation, gender identity, mental health condition, physical health condition, criminal record, involvement in commercial sex, income or lack of income, or the age and/or sex of their children. For those programs that by their design target a particular population (e.g., youth, gender specific) there should be procedures or policies in place to ensure access to comparable, qualified services for other survivors seeking support.

- Procedures or policies that protect the confidentiality of information and/or privacy of persons receiving services.
- Procedures or policies that do not require victims to take certain actions (e.g., receive counseling, report to law enforcement, commit to sobriety) to be eligible for, or to receive services. For youth-serving programs with justifiable mandatory requirements, a [shared decision making model](#) should be used to provide minors with agency in participating in decisions that impact them.
- Project designs, products, services, and/or budgets that consider the unique needs of individuals with disabilities, [with limited English proficiency](#), or who are Deaf or hard of hearing, including accessibility for such individuals.

### **For Programs Serving Children and Youth**

If your program provides services to child and youth victims of crime, services must be tailored to ensure that they are developmentally appropriate, culturally responsive, victim-centered and trauma-informed. In addition to encouraging use of a [shared decision making model](#), OVC promotes the use of evidence-based and evidence-informed practices when working with children and youth victims of crime.

### **Unallowable Costs**

The following activities cannot be supported with grant funds.

1. Holding Beds: Grantees may not “hold beds” in a housing facility by charging their cost to the grant and keeping them empty until a victim needs the bed, when other victims need access to the beds, as this would be considered an unallowable contingency payment (see 2 C.F.R. 200.433 (c)).
2. Stipends/Incentives to Participate in Services: Neither cash, non-cash stipends, nor incentives may be paid to victims to encourage their participation in services. Nominal cash or non-cash stipends (e.g., taxi or ride share vouchers; public transportation tickets or tokens; money to pay for childcare; or gift cards for meals that are necessary when participants receive services) are allowable.
3. Primary Prevention Activities: Per 22 U.S.C. § 7105(b)(2), the purpose of this funding is to support victim service programs; therefore, applicants should not propose primary prevention activities under this program.
4. Savings accounts for victims: Federal funds cannot be invested in savings accounts for victims.
5. Financial support for private residence: Grant funds may not be used to keep victims in their privately owned homes or to prevent them from losing such housing.
6. Construction or purchase of property.
7. Drug and/or alcohol testing.
8. Purchase and/or lease of vehicles.

Applicants should consult the [DOJ Grants Financial Guide](#) for information on additional unallowable costs for federal award recipients and subrecipients.

In addition, the following activities can be supported only in limited circumstances:

1. Legal services – Use of grant funds for legal services is limited to providing legal services to victims in the housing program and must terminate when they obtain permanent housing. Legal services are limited to those that are necessary to enable a housing program participant to locate and secure housing, including legal services regarding housing, protection orders, criminal record relief, and limited immigration matters that affect a victim's ability to obtain housing. *Funds may not be used for comprehensive, long-term legal assistance, such as divorce or child custody.*
2. Services for dependents – Housing and supportive services may be provided to human trafficking victims of any age under this program. Grant funds may be used to provide direct services to victims' dependents where such services are an ancillary part of providing housing and supportive services to the victim of human trafficking.

### **Limitation on Use of Funds (22 U.S.C. § 7110(g))**

The following statutory language applies to all awards under this solicitation:

1. Restriction on programs – No funds made available to carry out this chapter, or any amendment made by this chapter, may be used to promote, support, or advocate the legalization or practice of prostitution. Nothing in the preceding sentence shall be construed to preclude assistance designed to promote the purposes of this Act by ameliorating the suffering of, or health risks to, victims while they are being trafficked or after they are out of the situation that resulted from such victims being trafficked.
2. Restriction on organizations – No funds made available to carry out this chapter, or any amendment made by this chapter, may be used to implement any program that targets victims of severe forms of trafficking in persons described in section 7102(9)(A) of this title through any organization that has not stated in either a grant application, a grant agreement, or both, that it does not promote, support, or advocate the legalization or practice of prostitution. The preceding sentence shall not apply to organizations that provide services to individuals solely after they are no longer engaged in activities that resulted from such victims being trafficked.

Pursuant to the statute above, OVC requires grantees under this program to agree to the following award condition: *Recipient certifies that it does not promote, support, or advocate the legalization or practice of prostitution, nor will it use grant funds or program match funds to promote, support, or advocate the legalization or practice of prostitution.*

OJP strongly encourages the use of data and evidence in policymaking and program

development for criminal justice, juvenile justice, and crime victim services. For additional information and resources on evidence-based programs or practices, see the [OJP Grant Application Resource Guide](#).

### **Information Regarding Potential Evaluation of Programs and Activities**

OJP may conduct or support an evaluation of the projects and activities funded under this solicitation. ### **Priority Areas**

The Department of Justice is committed to advancing work that promotes civil rights and racial equity, increases access to justice, supports crime victims and individuals impacted by the justice system, strengthens community safety and protects the public from crime and evolving threats, and builds trust between law enforcement and the community.

Priority Considerations Supporting Executive Order 13985, *Advancing Racial Equity and Support for Underserved Communities Through the Federal Government*

In support of this [Executive Order](#), OJP will provide priority consideration when making award decisions to the following:

A. Applications that propose project(s) that are designed to promote racial equity and the removal of barriers to access and opportunity for communities that have been historically underserved, marginalized, and adversely affected by inequality.

To receive this consideration, the applicant must describe how the proposed project(s) will address potential racial inequities and contribute to greater access to services and opportunities for communities that have been historically underserved, marginalized, and adversely affected by inequality, and identify how the project design and implementation will specifically incorporate the input or participation of those communities and populations disproportionately impacted by crime, violence, and the criminal justice system overall. Examples addressing this requirement include, but are not limited to, the following: budgeted project planning and/or implementation meetings with community stakeholders representing historically underserved and marginalized communities; outreach and/or public awareness campaigns specifically tailored to historically underserved and marginalized communities to encourage participation in the proposed project(s); budgeted incorporation of members representing historically underserved and marginalized communities in program evaluation, surveys, or other means of project feedback; and partnership with organizations that primarily serve communities that have been historically underserved, marginalized, and adversely affected by inequality.

B. Applicants that demonstrate that their capabilities and competencies for implementing

their proposed project(s) are enhanced because they (or at least one proposed subrecipient that will receive **at least 40%** of the requested award funding, as demonstrated in the Budget Web-Based Form) identify as a *culturally specific organization*.

To receive this additional priority consideration, applicants must describe how being a culturally specific organization (or funding the culturally specific subrecipient organization (s)) will enhance their ability to implement the proposed project(s) and should also specify which populations are intended or expected to be served or to have their needs addressed under the proposed project(s).

Culturally specific organizations are defined for the purposes of this solicitation as private nonprofit or tribal organizations whose primary purpose as a whole is to provide culturally specific services to racial and ethnic groups, including, among others, Black people, Hispanic and Latino people, Native American and other Indigenous peoples of North America (including Alaska Native, Eskimo, and Aleut), Asian Americans, Native Hawaiians, and/or Pacific Islanders.

Note: Addressing these priority areas is one of many factors that OJP considers in making funding decisions. Receiving priority consideration for one or more priority areas does not guarantee an award.

**Continuation Funding Intent**

OVC may, in certain cases, provide additional funding in future years to awards made under this solicitation through continuation awards. OJP will consider, among other factors, OJP’s strategic priorities, a recipient’s overall management of the award, and the award-funded work’s progress, when making continuation award decisions.

**Availability of Funds**

This solicitation, and awards under this solicitation, are subject to the availability of appropriated funds and to any modifications or additional requirements that may be imposed by the agency or by law. In addition, nothing in this solicitation is intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

**Type of Award**

OVC expects to make awards under Purpose Areas 1 and 2 as grants. See the “Administrative, National Policy, and Other Legal Requirements” section of the [OJP Grant Application Resource Guide](#) for a brief discussion of important statutes, regulations, and award conditions that apply to many (or in some cases, all) OJP grants.

OVC expects to make an award under Purpose Area 3 as a cooperative agreement, which provides for OJP to have substantial involvement in carrying out award activities.

See the “Administrative, National Policy, and Other Legal Requirements” section of the [OJP Grant Application Resource Guide for additional information.](#)

### **Financial Management and System of Internal Controls**

Award recipients and subrecipients (including recipients or subrecipients that are pass-through entities) must, as described in the Part 200 Uniform Requirements as set out at 2 C.F.R. 200.303, comply with standards for financial and program management. See the [OJP Grant Application Resource Guide](#) for additional information.

### **Budget Information**

The applicant should identify within their budget which items, services, etc., will/would be covered by matching sources and explain what type of match will be provided.

### **Cost Sharing or Matching Requirement**

Purpose Areas 1 and 2 of this solicitation require a 25 percent **cash or in-kind match**. Purpose Area 3 does not require a match. Federal funds awarded under Purpose Areas 1 and 2 of this solicitation may not cover more than 75 percent of the total costs of the project being funded. An applicant must identify the source of the 25 percent non-federal portion of the total project costs and how they will use match funds. If an award recipient’s proposed match *exceeds* the required match amount, and OJP approves the budget, the total match amount in the approved budget becomes mandatory and subject to audit. (“Match” funds may be used only for purposes that would be allowable for the federal funds.) Recipients must satisfy this match requirement with cash or in-kind match.

### **How to Calculate Match**

#### **Formula**

Step 1            Award Amount ÷ % of Federal Share = Total (Adjusted Project Cost)

Step 2            Total (Adjusted) Project Cost x % of Recipient Share = Required Match

#### **Example**

Match Requirement – 75/25 (Federal share/Recipient share)

Federal Award = \$150,000

Step 1            \$150,000 ÷ 75% Federal Share = \$200,000

Step 2            \$200,000 x 25% Recipient's Share = \$50,000

See the [OJP Grant Application Resource Guide](#) for additional information on this match requirement. For step-by-step instructions for entering match amounts in the budget, see the [Budget Summary Match Guide](#).

### **Pre-agreement Costs (also known as Pre-award Costs)**

See the [OJP Grant Application Resource Guide](#) for information on pre-agreement costs (also known as pre-award costs).

### **Limitation on Use of Award Funds for Employee Compensation: Waiver**

### **Prior Approval, Planning, and Reporting of Conference/Meeting/Training Costs**

See the [OJP Grant Application Resource Guide](#) for information on Costs Associated with Language Assistance.

### **Eligibility Information**

For eligibility information, see the solicitation cover page.

To become certified, the law enforcement agency must meet two mandatory conditions: (1) the agency’s use-of-force policies adhere to all applicable federal, state, and local laws, and (2) the agency’s use-of-force policies prohibit

chokeholds except in situations where use of deadly force is allowed by law. ## Application and Submission Information

### Content of Application Submission

The following application elements **must** be included in the application to meet the basic minimum requirements to advance to peer review and receive consideration for funding:

- Proposal Abstract
- Proposal Narrative
- Budget Web-Based Form (The web-based form includes the budget details and the budget narrative.)

If OJP determines that an application does not include these elements, it will neither proceed to peer review, nor receive further consideration.

### Information to Complete the Application for Federal Assistance (SF-424) in Grants.gov

The SF-424 must be submitted in Grants.gov. It is a required standard form used as a cover sheet for submission of pre-applications, applications, and related information. See the [OJP Grant Application Resource Guide](#) for additional information on completing the SF-424.

In Section 8F of the SF-424, please include the name and contact information of the individual **who will complete the application in JustGrants**. JustGrants will use this information (*email address*) to assign the application to this user in JustGrants.

**Intergovernmental Review:** This solicitation (“funding opportunity”) **is not** subject to [Executive Order \(E.O.\) 12372](#). (In completing the SF-424, an applicant is to answer question 19 by selecting “Program is not covered by E.O. 12372.”)

### Standard Applicant Information (JustGrants 424 and General Agency Information)

The “Standard Applicant Information” section of the JustGrants application is pre-populated with the SF-424 data submitted in Grants.gov. The applicant will need to

review the Standard Applicant Information in JustGrants and make edits as needed. Within this section, the applicant will need to add ZIP codes for areas affected by the project; confirm their Authorized Representative; and verify and confirm the organization's unique entity identifier, legal name, and address.

### **Proposal Abstract**

A Proposal Abstract (no more than 400 words) summarizing the proposed project—including its purpose, primary activities, expected outcomes, the geographic service area, intended beneficiaries, and subrecipients (if known)—must be completed in the JustGrants web-based form. This abstract should be in paragraph form without bullets or tables, written in the third person, and exclude personally identifiable information. Abstracts will be made publicly available on the OJP and USASpending.gov websites if the project is awarded. See the [OJP Grant Application Resource Guide](#) for an example of a proposal abstract. If priority consideration is being requested, please indicate the priority areas A and/or B selected.

### **Proposal Narrative**

The Proposal Narrative should be submitted as an attachment in JustGrants. The attached document should be double-spaced, using a standard 12-point font; have no less than 1-inch margins; and should not exceed 25 numbered pages (or 29 numbered pages for any applicants under Purpose Area 1 or 2 addressing a priority area). If the Proposal Narrative fails to comply with these length restrictions, OVC may consider such noncompliance in peer review and in final award decision.

The Proposal Narrative must include the following sections:

- a. Description of the Issue (20%)

### **Purpose Areas 1 & 2: Direct Housing Assistance for Victims of Human Trafficking**

1. Describe the nature and scope of the problem that the program will address. Applicants must demonstrate the problem of labor and sex trafficking within the targeted geographic area. Applicants should cite the sources of this data, which could include local, state, and federal data regarding investigations, prosecutions, and the number of individuals identified as victims of human trafficking in the proposed geographic area and data from victim service providers or other local stakeholders. Data should come from multiple sources and extend beyond national hotline data.
2. For Purpose Area 2, describe previous or current attempts to address the problem, including documentation of the number of trafficking victims served each year during 2021 and 2022 within the targeted geographic area. At a minimum, applicants must identify the total number of victims they previously served within the targeted geographic area, and the types of victims they have served (sex or labor trafficking victims). Applicants must cite the sources of this data. Purpose Area 1 applicants may provide service data if it is available.

3. Describe the communities to be served, including the geographic area, populations in the service area, and any groups that are vulnerable to human trafficking. Applicants should identify any relevant underserved communities in their geographic area using data to support their conclusions (e.g., community data, Census data, client data). Proposals must address the needs of both sex and labor trafficking victims.
4. Demonstrate sustained victim services rates/caseloads/housing expenses that align with the requested level of funding.
5. Describe current efforts to address the service needs of trafficking survivors in the geographic area. [Using online directories available from OVC](#) and the [Office on Trafficking in Persons](#) (OTIP), applicants should determine if there is an existing federally funded trafficking victim service provider within their jurisdiction, and explain how the proposed project does not duplicate these efforts and targets unmet needs.

### **Purpose Area 3: Training and Technical Assistance**

1. Describe the housing needs of victims of labor and sex trafficking.
2. Describe the anticipated training and technical assistance needs of OVC-funded housing assistance grantees. Identify gaps, challenges, and opportunities in identifying and securing housing for victims of all forms of human trafficking in the United States, including specific analysis related to underserved victims, including victims of labor trafficking. The analysis should address the TTA needs of organizations that are new to receiving OVC funding and those that have been implementing OVC human trafficking programs for longer periods of time. Applicants may use qualitative and quantitative data to describe the problem, identifying the source of any data or evidence cited.
3. Describe the TTA or resources available and the gaps as well as ongoing challenges in enhancing the quality and quantity of housing options for victims of all forms of human trafficking. The applicant should provide a detailed analysis of current TTA being offered to OVC anti-trafficking grantees specifically and victim service and housing providers in general by other federally funded TTA providers.

#### **b. Project Design and Implementation (45%)**

### **Purpose Areas 1 & 2: Direct Housing Assistance for Victims of Human Trafficking**

2. Provide a detailed description of the proposed activities necessary to implement this project and meet the stated goals and objectives.

3. Identify which underserved communities, if any, will be targeted through the proposed project, and describe how the proposed project will enhance housing responses to labor trafficking victims. Failure to include information about responses to labor trafficking victims will be taken into consideration when this section is scored during peer review.
4. Describe how and where housing and services will be provided, including, but not limited to—
  - i. the type of housing (i.e., emergency shelter, crisis housing, transitional housing assistance, or short-term housing assistance) and anticipated location.
  - ii. how housing will be provided (e.g., program-owned, program-rented, landlord/tenant relationship).
  - iii. method for determining client eligibility (e.g., screening, eligibility requirements).
  - iv. housing rules and regulations.
  - v. the timeframe and plan for followup services.
  - vi. fee schedule (if applicable).
5. Include a timeline for all the tasks and activities to be completed.
6. Link project activities to the requirements of this solicitation and justify the logic of the proposed approach.
7. List project partners, as appropriate, to make the project activities effective and sustainable.
8. Describe how the applicant plans to ensure that project activities are trauma-informed, victim-centered, and culturally responsive, and how they support victim autonomy and protect the safety and confidentiality needs of victims.
9. Describe how this project differs in scope or breadth from housing activities currently being funded by OVC (if any).
10. Describe how the applicant will identify and expand collaborative partnerships to secure safe, affordable housing options, and how they will coordinate with other OVC and federally and state-funded anti-trafficking programs to meet the comprehensive needs of trafficking victims.

3. Outline the proposed approach to providing training to OVC service provider

grantees. Applicants should describe how they will leverage existing training and resources, including OVC's foundational online training [Understanding Human Trafficking](#), and how they will coordinate training efforts with other OVC-funded human trafficking TTA providers.

4. Include a timeline for all the tasks and activities to be completed.
5. Link project activities to the requirements of this solicitation and justify the proposed approach.
6. Describe the role of project partners.
7. Describe how the applicant plans to ensure project activities are trauma-informed, victim-centered, and survivor-informed.
8. Address how the proposed project will specifically assist OVC human trafficking housing grantees and other service providers as they address the housing needs of diverse victims of trafficking, including survivors of labor trafficking.
9. OVC works closely with federal partners to ensure resource coordination. Applicants should describe existing federally funded anti-trafficking TTA, and work to ensure that the new application does not duplicate existing TTA currently funded by OVC, the Office on Violence Against Women, the U.S. Department of Health and Human Services, or another federal or state office or agency. If there is currently a federally funded trafficking TTA serving the same or similar target audience as the applicant's proposal, applicants must (1) document how the new proposal supports different TTA services than those already funded and (2) describe how these services will be coordinated.

### **All Purpose Areas**

If the applicant is seeking priority consideration for **Priority A**, it should address in this section how the proposed projects will promote racial equity and the removal of barriers to access and opportunity for communities that have been historically underserved, marginalized, and adversely affected by inequality, and identify how the project design and implementation will specifically incorporate the input or participation of these communities.

If an applicant does not have documented experience in serving victims of human trafficking, the application must include a victim service provider as a required partner in a Letter of Intent or MOU and should demonstrate that the victim service provider is significantly involved in the project design and development.
2. Identify the key individuals and organizations involved in the proposed project.
  3. Demonstrate that the lead and proposed project partners have the capacity to address the stated need, including the expertise necessary to provide housing services to victims of all forms of human trafficking, and can successfully implement the proposed project activities.

  5. Demonstrate that project staff have appropriate training and experience to implement project activities as described in the proposal, including the knowledge and expertise necessary to implement culturally responsive projects with the identified underserved communities and with survivors of labor trafficking, and document plans and position descriptions for staff to be hired.
  6. Clearly describe who will implement activities as described in the Project Design and Implementation section.
  7. Describe the lead applicant's administrative and financial capacity to manage grants that support services to crime victims, including previous experience managing grants. ### **Purpose Area 3: Training and Technical Assistance**

1. Demonstrate the institutional experience and expertise to effectively implement the requirements of this solicitation and support organizations in providing housing services to victims of labor and sex trafficking (or submit formal agreements with partners with experience and expertise with the application).
  - For tasks that are proposed to be subawarded to project partners, the

- For any project partners that are stated in the program narrative but are not proposed as a subrecipient, the applicant must include, at minimum, a separate attachment that describes the organization's commitment to a partnership with the applicant to conduct specific activities pro bono (for example, a Letter of Support or Letter of Intent).
2. Identify the key individuals and organizations involved in the proposed project.
  3. Demonstrate that the individuals and organizations identified have the capacity to address the stated need, including human trafficking, housing, and national training and technical assistance expertise, and can successfully implement the proposed project activities.

The applicant should also include the website address (if applicable) and formal or informal mission statement or principles of the culturally specific organization.

- d. Plan for Collecting the Data Required for this Solicitation's Performance Measures (5%)

This section must include the following information:

1. A plan for collecting all of the performance measures data required by this solicitation.
2. A description of the qualifications of key staff who will be responsible for collecting data and reporting performance measures.

In addition, this plan must describe how the applicant will use the collected data to confirm whether the applicant is identifying and serving [or responding to] labor trafficking victims as described in the application's Efforts to Enhance Responses to Labor Trafficking Plan.

Note: Applicants under all purpose areas are **not** required to submit performance data with the application. Rather, performance measure information is included as a notification that award recipients will be required to submit performance data as part of each award's reporting requirements. Some measures are presented as examples, while others are the exact measures that every recipient will be expected to address.

OJP will require each award recipient to submit regular performance data that show the completed work's results. The performance data directly relate to the goals, objectives, and deliverables identified in the "Goals, Objectives, and Deliverables" discussion. Applicants can visit OJP's performance measurement page at [www.ojp.gov/performance](http://www.ojp.gov/performance) for an overview of performance measurement activities at OJP.

A list of performance measure questions for this program can be found at:

**Purpose Area 1 & 2 Direct Housing Assistance:** <https://ovc.ojp.gov/funding/performance-measures/human-trafficking/human-trafficking-performance-measures-questionnaire.pdf>.

**Purpose Area 3 TTA:** <https://ovc.ojp.gov/funding/performance-measures/human-trafficking/tta-providers-questionnaire.pdf>.

OVC will require award recipients to submit quarterly performance measure data in the Performance Measurement Tool (PMT) and separately submit a semi-annual performance report in JustGrants. A list of resources and trainings can be found at <https://ovc.ojp.gov/funding/performance-measures/human-trafficking>.

OVC will provide further guidance on the post-award submission process if the applicant is selected for award.

### **Note on Project Evaluations**

An applicant that proposes to use award funds through this solicitation to conduct project evaluations must follow the guidance in the "Note on Project Evaluations" section in the

[OJP Grant Application Resource Guide](#).

## **Goal, Objective and Deliverables**

### **Goals, Objectives, Deliverables, and Timeline**

The applicant will submit the project's goals, objectives, deliverables and timeline in the JustGrants web-based form. The applicant will also enter the projected fiscal year and quarter that each objective and deliverable will be completed. Please refer to the [Application Submission Job Aid](#) for step-by-step directions.

**Goals.** The applicant should describe the project's intent to change, reduce, or eliminate the problem noted in the previous section and outline the project's goals.

**Program Objectives.** The applicant should explain how the program will accomplish its goals. Objectives are specific, quantifiable statements of the project's desired results. They should be measurable and clearly linked to the goal.

**Deliverables.** Project deliverables refer to outputs—tangible or intangible—that are submitted within the scope of a project.

## **Budget and Associated Documentation**

Please note Unallowable Costs and Limitations on the Use of Funds in the Program-Specific section.

### **Budget Worksheet and Budget Narrative (Web-based Form)**

The applicant will complete the JustGrants web-based budget form (10%). For additional information, see the [OJP Grant Application Resource Guide and the Complete the Application in JustGrants – Budget](#) training.

### **Purpose Areas 1 & 2: Direct Housing Assistance for Victims of Human Trafficking**

In preparing its budget, the applicant is to carefully review the following information that details elements that the application is to address and/or include in the JustGrants web-based budget form (and its accompanying narrative information).

1. **Administrative costs:** Administrative costs are costs related to the salary and fringe benefits of executive-level leadership and accounting/financial administration. Grant funds awarded under this program are intended primarily for provision of direct services to victims of human trafficking. Administrative costs

must be reasonable and allocable.

2. Housing and supportive services: Applicants must dedicate sufficient funding in the budget to support the housing and services required under this program. At the same time, applicants applying for the maximum amount of funding should document that demand for services/housing merits the requested level of funding.

The narrative information included as part of the JustGrants web-based budget form should include—

1. a statement describing whether housing units are applicant-owned.
2. as program income, any fees charged to housing program participants (victims), if housing units are applicant-owned.
3. a description as to the cash or in-kind match that is included in the project budget.

### All Purpose Areas

The budget should display a clear link between the specific project activities and the proposed budget items and not contain items that are not supported by the project narrative. In addition, subawards and contracts should be clearly distinguished when allocating any grant funds to other entities. Pursuant to 2 C.F.R. § 200.331, a subaward has the purpose of carrying out a portion of the federal award, such as compensating a partner with which the grantee has a Memorandum of Understanding (MOU), and a contract is for the purpose of obtaining goods and services for the grantee's own use.

If the applicant is seeking priority consideration under Priority A and has proposed activities (such as community or stakeholder meetings, community outreach or public awareness campaigns, community participation in project design, implementation, or evaluation, etc.) to incorporate the input and participation of communities that have been historically underserved, marginalized, and adversely affected by inequality, financial support for the identified activities and participation must be reflected in the web-based budget form.

If the applicant is seeking priority consideration under Priority B based on the identification of at least one proposed subrecipient as a culturally specific organization, the proposed funding for the subrecipient in the web-based budget form **must reflect a minimum of 40% of award funding**. The budget narrative must also describe how the activities that will be funded with the (minimum) 40% of award funding provided to the subrecipient **specifically relate to the priority consideration requested** and described in the Capabilities and Competencies section of the application.

Each MOU or Letter of Intent should include the following: (1) names of the organizations involved in the agreement; (2) scope of the direct service(s) and other work to be performed under the agreement; (3) duration of the agreement. See the [OJP Grant Application Resource Guide](#) for additional information.

### **How to Apply**

**Registration:** Before submitting an application, all applicants must register with the System for Award Management (SAM). You must renew and validate your registration every 12 months. If you do not renew your SAM registration, it will expire. An expired registration can delay or prevent application submission in Grants.gov and JustGrants. Registration and renewal can take up to 10 business days to complete.

**Submission:** Applications must be submitted to DOJ electronically through a two-step process via Grants.gov and JustGrants.

**Step 1:** After registering with SAM, the applicant must submit the **SF-424** and **SF-LLL** in Grants.gov at <https://www.grants.gov/web/grants/register.html> by the Grants.gov deadline. **Submit the SF-424 and SF-LLL as early as possible, but no later than 48 hours before the Grants.gov deadline.** If an applicant fails to submit in Grants.gov, they will be unable to apply in JustGrants.

**Step 2:** The applicant must then submit the **full application**, including attachments, in JustGrants at [JustGrants.usdoj.gov](https://www.justgrants.usdoj.gov) by the JustGrants deadline.

Within 24 hours after receipt of confirmation emails from Grants.gov, the individual in Section 8F of the SF-424 will receive an email from [DIAMD-NoReply@usdoj.gov](mailto:DIAMD-NoReply@usdoj.gov) with instructions on how to create a JustGrants account. Register the Entity Administrator and the Application Submitter with JustGrants as early as possible but no later than 48-72 hours before the JustGrants deadline. Once registered in JustGrants, the Application Submitter will receive an emailed link to complete the rest of the application in JustGrants. The Entity Administrator also will need to log into JustGrants to review and invite the applicant's Authorized Representative(s) before an application can be submitted.

Submit the complete application package in JustGrants at least 24 – 48 hours prior to the

JustGrants deadline. Some of the application components will be entered directly into JustGrants, and others will require uploading attached documents. Therefore, applicants will need to allow ample time before the JustGrants deadline to prepare each component. Applicants may save their progress in the system and revise the application as needed prior to hitting the Submit button at the end of the application in JustGrants.

For additional information, see the “How to Apply” section in the [OJP Grant Application Resource Guide](#) and the [DOJ Application Submission Checklist](#).

### **Submission Dates and Time**

The **SF-424 and the SF-LLL** must be submitted in Grants.gov by 11:59 p.m. eastern time on May 30, 2023.

The **full application** must be submitted in JustGrants by 8:59 p.m. eastern time on June 5, 2023.

OJP urges applicants to submit their Grants.gov and JustGrants submissions prior to the due dates with sufficient time to correct any errors and resubmit by the submission deadlines if a rejection notification is received. To be considered timely, the **full application** must be submitted in JustGrants by the JustGrants application deadline. Failure to begin the SAM.gov, Grants.gov, or JustGrants registration process in sufficient time (i.e., waiting until the date identified in this solicitation) is not an acceptable reason for late submission.

### **Experiencing Unforeseen Technical Issues Preventing Submission of an Application**

OJP will only consider requests to submit an application after the deadline when the applicant can document that a technical issue with a government system prevented application submission.

If an applicant misses a deadline due to unforeseen technical issues with SAM.gov, Grants.gov, or JustGrants, the applicant may request a waiver to submit an application after the deadline. However, the waiver request will not be considered unless it includes a tracking number generated when the applicant contacts the applicable service desks to report technical difficulties. Tracking numbers are generated automatically when an applicant emails the applicable service desks; and for this reason, applicants are encouraged to email the appropriate service desk, even if they also intend to call the service desk for phone support. Experiencing wait times for phone support does not relieve the applicant of the responsibility of getting a tracking number.

An applicant experiencing technical difficulties must contact the associated service desk indicated below to report the technical issue and receive a tracking number:

- SAM.gov - contact the [SAM Help Desk \(Federal Service Desk\)](#), Monday –

Friday from 8 a.m. to 8 p.m. ET at 866-606-8220.

- Grants.gov - contact the [Grants.gov Customer Support Hotline](#), 24 hours a day, 7 days a week, except on federal holidays, at 800-518-4726, 606-545-5035, or [support@grants.gov](mailto:support@grants.gov).
- JustGrants - contact the JustGrants Service Desk at [JustGrants.Support@usdoj.gov](mailto:JustGrants.Support@usdoj.gov) or 833-872-5175, Monday – Friday from 7 a.m. to 9 p.m. ET and Saturday, Sunday, and Federal holidays from 9 a.m. to 5 p.m. ET.

If an applicant has technical issues with SAM.gov or Grants.gov, the applicant must contact the OJP Response Center at [grants@ncjrs.gov](mailto:grants@ncjrs.gov) within **24 hours of the Grants.gov deadline** to request approval to submit after the deadline.

If an applicant has technical issues with JustGrants that prevent application submission by the deadline, the applicant must contact the OJP Response Center at [grants@ncjrs.gov](mailto:grants@ncjrs.gov) within **24 hours of the JustGrants deadline** to request approval to submit after the deadline.

Waiver requests sent to the OJP Response Center must -

- describe the technical difficulties experienced,
- include a timeline of the applicant's submission efforts (e.g., date and time the error occurred, date and time of actions taken to resolve the issue and resubmit; and date and time support representatives responded),
- include an attachment of the complete grant application and all the required documentation and materials,
- include the applicant's Unique Entity Identifier (UEI), and
- include any SAM.gov, Grants.gov, and JustGrants Service Desk tracking numbers documenting the technical issue.

OJP will review each waiver request and the required supporting documentation and notify the applicant whether the request for late submission has been approved or denied. An applicant that does not provide documentation of a technical issue or that does not submit a waiver request within the required time period will be denied.

For more details on the waiver process, OJP encourages applicants to review the “Experiencing Unforeseen Technical Issues” section in the [OJP Grant Application Resource Guide](#).

## Application Review Information

### Review Criteria

#### Merit Review Criteria

Applications that meet the basic minimum requirements will be evaluated by peer reviewers on how the proposed project/program addresses the following criteria:

Statement of the Problem/Description of the Issue (20%) - evaluate the applicant's understanding of the program/issue to be addressed.

Project Design and Implementation (45%) - evaluate the adequacy of the proposal, including the goals, objectives, timelines, milestones, and deliverables.

Capabilities and Competencies (20%) - evaluate the applicant's administrative and technical capacity of the applicant to successfully accomplish the goals and objectives.

Plan for Collecting the Data Required for this Solicitation's Performance Measures (5%) - evaluate the applicant's understanding of the performance data reporting requirements and the plan for collecting the required data.

Budget (10%) - evaluate for completeness, cost effectiveness, and allowability (e.g., reasonable, allocable, and necessary for project activities).

### **Other Review Criteria/Factors**

Other important considerations for OVC include geographic diversity, strategic priorities (specifically including, but not limited to, those priority areas already mentioned, if applicable), available funding, past performance, and the extent to which the Budget Web-Based Form accurately explains project costs that are reasonable, necessary, and otherwise allowable under federal law and applicable federal cost principles.

### **Review Process**

Applications submitted under this solicitation that meet the basic minimum requirements will be evaluated for technical merit by a peer review panel(s) in accordance with OJP peer review policy and procedures using the review criteria listed above.

OJP screens applications to ensure they meet the basic minimum requirements prior to conducting the peer review. Although specific requirements may vary, the following are common requirements applicable to all OJP solicitations:

- The application must be submitted by an eligible type of applicant.
- The application must request funding within programmatic funding constraints (if applicable).
- The application must be responsive to the scope of the solicitation.
- The application must include all items necessary to meet the basic minimum requirements.

Pursuant to the Part 200 Uniform Requirements, before award decisions are made, OJP

also reviews information related to the degree of risk posed by the applicant entity. Among other things to help assess whether an applicant with one or more prior federal awards has a satisfactory record of performance, integrity, and business ethics, OJP checks whether the applicant entity is listed in SAM as excluded from receiving a federal award.

In addition, if OJP anticipates that an award will exceed \$250,000 in federal funds, OJP also must review and consider any information about the applicant entity that appears in the non-public segment of the integrity and performance system accessible through SAM (currently, the Federal Awardee Performance and Integrity Information System, FAPIIS).

**Important Note on FAPIIS:** An applicant may review and comment on any information about its organization that currently appears in FAPIIS and was entered by a federal awarding agency. OJP will consider such comments by the applicant, in addition to the other information in FAPIIS, in its assessment of the risk posed by the applicant entity.

Absent explicit statutory authorization or written delegation of authority to the contrary, all final award decisions will be made by the Assistant Attorney General, who may consider not only peer review ratings and OVC recommendations, but also other factors as indicated in this section.
