## Program Description

### Overview

OJP is committed to advancing work that promotes civil rights and racial equity, increases access to justice, supports crime victims and individuals impacted by the justice system, strengthens community safety and protects the public from crime and evolving threats, and builds trust between law enforcement and the community.

To enhance capacity to identify, assist, and provide services to all victims of human trafficking, OVC leads the Nation in supporting victim-centered and trauma-informed programs, policies, and resources that promote justice, access, and empowerment. With this solicitation, OVC will fund programs to enhance the quality and quantity of services available to assist minor victims of human trafficking, as defined by the Trafficking Victims Protection Act of 2000 (TVPA), as amended, by providing services that are developmentally appropriate and tailored to the individual needs of young trafficking victims.

### Statutory Authority

The statutory authority for this program is 22 U.S.C. § 7105(b)(2).

### Specific Information

The purpose of this program is to enhance the quality and quantity of services available to assist minor victims of human trafficking. It will provide funding for services to victims of severe forms of human trafficking, as defined in 22 U.S.C. § 7102(11):

- Sex trafficking in which a commercial sex act is induced by force, fraud, or coercion, or in which the person induced to perform such an act has not attained 18 years of age.
- The recruitment, harboring, transportation, provision, or obtaining of a person for labor or services through the use of force, fraud, or coercion for the purpose of subjection to involuntary servitude, peonage, debt bondage, or slavery.

Sex trafficking and labor trafficking occur in many different settings within communities, and minor victims of these crimes have specific needs that must be addressed to ensure that they receive services tailored to their safety, security, and healing. Minor victims of human trafficking are often involved in the child welfare and juvenile justice systems and may be subject to polyvictimization, including various victimizations prior to, and during, the time they were trafficked. Similarly, adverse childhood experiences, including child maltreatment, can contribute to minors' vulnerability to traffickers. A trauma-informed, culturally relevant, gender responsive approach to services will help ensure that minor victims of human trafficking have the opportunity to make informed decisions about the support they need and enable them to work toward identifying and achieving their

personal goals.

Organizations funded under this program will also be expected to implement developmentally appropriate and evidence-based practices widely accepted in other child- and youth-serving systems.

Eligibility for services under this grant are limited to victims who were trafficked and began receiving services while under age 18; however, receipt of services can extend beyond the age of 18, as needed.

Reintegration with and support for healthy family members or caregivers is a critical component of the minor's long-term success. Services may also extend to the victim's children, supportive nonoffending parents, caregivers, sponsors, and guardians, if these services are identified as impacting the minor's safety, security, and healing. Efforts to refer family members to other free and low-cost services prior to the use of OVC funds must be documented.

### **Mandatory Program Requirements**

Applicants that receive funding under this program will be required to:

1. Submit the policies, procedures, and rules governing the provision of services for review upon OVC request (post-award).
2. Ensure that their policies and procedures follow applicable federal and state laws protecting the civil rights of program participants and staff (post-award).
3. Ensure that any staff, partner staff, or service providers working with trafficking victims are adequately licensed and trained to work with such victims, including by accessing OVC-supported training and technical assistance.
4. Ensure that the project coordinator/program director and other relevant staff participate in any grantee orientations and OVC-sponsored training and technical assistance.
5. As part of routine programmatic reporting, describe ongoing efforts to enhance responses to labor trafficking.
6. Provide all grant-funded staff at least one session annually of training (to be delivered by individuals or organizations with reasonable and demonstrable expertise) related to diversity, equity, inclusion, and/or accessibility and tied to program goals and objectives.

### **Strengthening Responses to Labor Trafficking**

Through its award funding, training and technical assistance, and collaboration with federal partners, OVC has worked to strengthen identification of and responses to labor trafficking victims in the United States. Despite these efforts, labor trafficking remains misunderstood, under-identified, underreported, and often unaddressed. As reflected in OVC grantee data, many individuals experience polyvictimization, including both labor and sex trafficking. To increase identification and expand access to services and justice for victims of labor trafficking, OVC is strengthening its expectations of organizations that receive anti-trafficking award funds. More information about gaps and opportunities in the response to this form of human trafficking is available at [OVC's website](#). Organizations

with all levels of experience responding to and serving labor trafficking victims are encouraged to apply, including those that have historically focused exclusively on responding to sex trafficking and are interested in enhancing responses to labor trafficking.

## **Goals, Objectives, and Deliverables**

An applicant should address all the objectives listed below in the Goals, Objectives, Deliverables and Timeline web-based form.

### **Goals**

The goal of this program is to provide services that address the needs of minor victims of sex and labor trafficking through a continuum of trauma-informed, culturally relevant, and gender responsive services to ensure their safety, security, and healing and to prevent them from being directed to or involved in the justice system.

### **Objectives**

The objectives of this program include the following:

- Provide services to meet the individualized needs of minor victims of sex and labor trafficking.
- Collaborate with local partners (e.g., service providers, criminal and juvenile justice and child welfare professionals, members of the judiciary, community- and faith-based organizations) to ensure minor victims of sex and labor trafficking are properly identified, responded to, and provided with appropriate services.
- Establish community-based interventions (i.e., engage stakeholders, including community-based agencies, health care providers, families and/or caregivers, experts with lived experience, advocates, public defenders, and prosecutors) through community outreach and education to develop a continuum of care that addresses the specific needs of each victim.
- Provide other essential services for minor victims of sex and labor trafficking (either directly or through referrals), including emergency interventions (i.e., provision of food, clothing, drop-in shelters, health care, and other direct services that address the immediate needs of minor victims of trafficking) and long-term interventions (i.e., job training, life skills, education, and other direct services that are victim-centered, survivor-led, and culturally relevant). See Appendix A for the types of services OVC funds.
- Collect data and participate in assessment activities to determine if the program is meeting stated goals and objectives.

Services must be victim-centered, trauma-informed, and developmentally appropriate. Partnerships that incorporate a holistic community approach are encouraged.

### **Deliverables**

The deliverables to be provided are services for minor victims of sex and labor trafficking, measured quarterly by service-hours or units delivered, type of service, number of new and continuing victims served, and other key data points. Award recipients will be required to submit performance measure data and a quarterly performance report in JustGrants.

The goals, objectives, and deliverables are directly related to the performance measures that show the completed work's results, as discussed in the "Application and Submission Information" section.

### **Ensuring Civil Rights**

Federal laws prohibit recipients of funding administered by the OJP from discriminating in the delivery of services on the basis of age, race, color, national origin, religion, or disability. Applicable federal laws also prohibit recipients from discriminating on the basis of disability in their employment practices, and from discriminating against employees and beneficiaries on the basis of sex in funded education or training programs. Recipients are also obligated under federal civil rights laws to provide meaningful access to their programs and activities for persons with [limited English proficiency](#). Under certain circumstances, it might be permissible to limit services based upon age. Please note that other federal, state, or local laws prohibiting discrimination may apply.

### **Enhancing Access to Services and Promoting Survivor Autonomy**

OVC is committed to an approach to human trafficking that is trauma-informed, victim-centered, survivor-informed, culturally competent; and evidence-based. Definitions of these concepts are available in the glossary of [OVC's Model Standards for Serving Victims and Survivors of Crime](#).

In line with these concepts and to enhance survivors' access to victim services, programs funded under this solicitation will engage in practices that remove barriers to receiving services and support survivor autonomy. Such practices will reduce requirements to engage in services, promote survivors' choice within service delivery, and protect victim privacy and confidentiality.

Funded programs will demonstrate their commitment to this approach by maintaining the following. (Note: Many of these requirements are mandated by federal civil rights laws, while others reflect OVC's policy direction to recipients to enhance access to services and promote survivor autonomy.)

- Procedures or policies that provide all survivors access to safe shelter, advocacy services, counseling, and other assistance without exclusions based on actual or perceived sex, age, immigration status, race, religion, sexual orientation, gender identity, mental health condition, physical health condition, criminal record, involvement in commercial sex, income or lack of income, or the age and/or sex of their children. For those programs that by their design target a particular population (e.g., youth, gender specific) there should be procedures or policies in place to ensure access to comparable, qualified services for other survivors seeking support.

- Procedures or policies that protect the confidentiality of information and/or privacy of persons receiving services.
- Procedures or policies that do not require victims to take certain actions (e.g., receive counseling, report to law enforcement, commit to sobriety) to be eligible for, or to receive services. For youth serving programs with justifiable mandatory requirements, a [shared decision making model](#) should be used to provide minors with agency in participating in decisions that impact them.
- Project designs, products, services, and/or budgets that consider the unique needs of individuals with disabilities, [with limited English proficiency](#), or who are Deaf or hard of hearing, including accessibility for such individuals.

### **For Programs Serving Children and Youth**

For program providing services to child and youth victims of crime, services must be tailored to ensure that they are developmentally appropriate, culturally responsive, victim-centered and trauma-informed. In addition to encouraging use of a [shared decision making model](#), OVC promotes the use of evidence-based and evidence-informed practices when working with children and youth victims of crime.

### **Unallowable Costs**

The following activities cannot be supported with grant funds.

1. Holding Beds: Grantees may not “hold beds” in a housing facility by charging their cost to the grant and keeping them empty until a victim needs the bed, when other victims need access to the beds, as this would be considered an unallowable contingency payment (see 2 C.F.R. 200.433 (c)).
2. Stipends/Incentives to Participate in Services: Neither cash, non-cash stipends, nor incentives may be paid to victims to encourage their participation in services. Nominal cash or non-cash stipends (e.g., taxi or ride share vouchers; public transportation tickets or tokens; money to pay for childcare; or gift cards for meals that are necessary when participants receive services) are allowable.
3. Primary Prevention Activities: Per 22 U.S.C. § 7105(b)(2), the purpose of this funding is to support victim service programs; therefore, applicants should not propose primary prevention activities under this program.

Applicants should consult the [DOJ Grants Financial Guide](#) for information on additional unallowable costs for federal award recipients and subrecipients.

### **Limitation on Use of Funds (22 U.S.C. § 7110(g))**

The following statutory language applies to all awards under this solicitation:

1. Restriction on programs – No funds made available to carry out this chapter, or any amendment made by this chapter, may be used to promote, support, or advocate the legalization or practice of prostitution. Nothing in the preceding sentence shall be construed to preclude assistance designed to promote the purposes of this Act by ameliorating the suffering of, or health risks to, victims while they are being trafficked or after they are out of the situation that resulted

- from such victims being trafficked.
2. Restriction on organizations – No funds made available to carry out this chapter, or any amendment made by this chapter, may be used to implement any program that targets victims of severe forms of trafficking in persons described in section 7102(9)(A) of this title through any organization that has not stated in either a grant application, a grant agreement, or both, that it does not promote, support, or advocate the legalization or practice of prostitution. The preceding sentence shall not apply to organizations that provide services to individuals solely after they are no longer engaged in activities that resulted from such victims being trafficked.

Pursuant to the statute above, OVC requires grantees under this program to agree to the following award condition: *Recipient certifies that it does not promote, support, or advocate the legalization or practice of prostitution, nor will it use grant funds or program match funds to promote, support, or advocate the legalization or practice of prostitution.*

### **Information on Managing Human Trafficking Awards**

For more information on implementation of OVC Human Trafficking awards, please consult the [OVC Human Trafficking Program FAQs](#).

### **Evidence-Based Programs or Practices**

OJP strongly encourages the use of data and evidence in policymaking and program development for criminal justice, juvenile justice, and crime victim services. For additional information and resources on evidence-based programs or practices, see the [OJP Grant Application Resource Guide](#).

### **Information Regarding Potential Evaluation of Programs and Activities**

OJP may conduct or support an evaluation of the projects and activities funded under this solicitation. For additional information and applicable documentation to be included in the application, see the [OJP Grant Application Resource Guide](#) section entitled “Information Regarding Potential Evaluation of Programs and Activities.”

### **Priority Areas**

The Department of Justice is committed to advancing work that promotes civil rights and racial equity, increases access to justice, supports crime victims and individuals impacted by the justice system, strengthens community safety and protects the public from crime and evolving threats, and builds trust between law enforcement and the community.

Priority Considerations Supporting Executive Order 13985, *Advancing Racial Equity and Support for Underserved Communities Through the Federal Government*

In support of this [Executive Order](#), OJP will provide priority consideration when making award decisions to the following:

A. Applications that propose project(s) that are designed to promote racial equity and the removal of barriers to access and opportunity for communities that have been historically underserved, marginalized, and adversely affected by inequality.

To receive this consideration, the applicant must describe how the proposed project(s) will address potential racial inequities and contribute to greater access to services and opportunities for communities that have been historically underserved, marginalized, and adversely affected by inequality, and identify how the project design and implementation will specifically incorporate the input or participation of those communities and populations disproportionately impacted by crime, violence, and the criminal justice system overall. Examples addressing this requirement include, but are not limited to, the following: budgeted project planning and/or implementation meetings with community stakeholders representing historically underserved and marginalized communities; outreach and/or public awareness campaigns specifically tailored to historically underserved and marginalized communities to encourage participation in the proposed project(s); budgeted incorporation of members representing historically underserved and marginalized communities in program evaluation, surveys, or other means of project feedback; and partnership with organizations that primarily serve communities that have been historically underserved, marginalized, and adversely affected by inequality.

B. Applicants that demonstrate that their capabilities and competencies for implementing their proposed project(s) are enhanced because they (or at least one proposed subrecipient that will receive **at least 40%** of the requested award funding, as demonstrated in the Budget Web-Based Form) identify as a *culturally specific organization*.

To receive this additional priority consideration, applicants must describe how being a culturally specific organization (or funding the culturally specific subrecipient organization (s)) will enhance their ability to implement the proposed project(s) and should also specify which populations are intended or expected to be served or to have their needs addressed under the proposed project(s).

Culturally specific organizations are defined for the purposes of this solicitation as private nonprofit or tribal organizations whose primary purpose as a whole is to provide culturally specific services to racial and ethnic groups, including, among others, Black people, Hispanic and Latino people, Native American and other Indigenous peoples of North America (including Alaska Native, Eskimo, and Aleut), Asian Americans, Native Hawaiians, and/or Pacific Islanders.

Note: Addressing these priority areas is one of many factors that OJP considers in making funding decisions. Receiving priority consideration for one or more priority areas does not guarantee an award.

### Availability of Funds

This solicitation, and awards under this solicitation, are subject to the availability of appropriated funds and to any modifications or additional requirements that may be imposed by the agency or by law. In addition, nothing in this solicitation is intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

### Type of Award

OVC expects to make awards under this solicitation as grants. See the "Administrative, National Policy, and Other Legal Requirements" section of the [OJP Grant Application Resource Guide](#) for a brief discussion of important statutes, regulations, and award conditions that apply to many (or in some cases, all) OJP grants.

### Financial Management and System of Internal Controls

Award recipients and subrecipients (including recipients or subrecipients that are pass-through entities) must, as described in the Part 200 Uniform Requirements as set out at 2 C.F.R. 200.303, comply with standards for financial and program management. See the [OJP Grant Application Resource Guide](#) for additional information.

## Budget Information

While the maximum allowable funding amount is \$950,000, organizations that are new or that have never before received a federal award may wish to submit a proposed budget at a lower amount to support targeted services to minor victims of human trafficking. The applicant should identify within their budget which items, services, etc., will/would be covered by matching sources and explain what type of match will be provided.

The applicant should identify within their budget which items, services, etc., will/would be covered by matching sources and explain what type of match will be provided.

## Cost Sharing or Matching Requirement

This solicitation requires a 25 percent **cash or in-kind match**. Federal funds awarded under this solicitation may not cover more than 75 percent of the total costs of the project being funded. An applicant must identify the source of the 25 percent non-federal portion of the total project costs and how they will use match funds. If an award recipient's proposed match *exceeds* the required match amount, and OJP approves the budget, the total match amount in the approved budget becomes mandatory and subject to audit. ("Match" funds may be used only for purposes that would be allowable for the federal funds.) Recipients must satisfy this match requirement with cash or in-kind match.

## How to Calculate Match

### Formula

Step 1            Award Amount ÷ % of Federal Share = Total (Adjusted Project Cost)

Step 2            Total (Adjusted) Project Cost x % of Recipient Share = Required Match

### Example

Match Requirement – 75/25 (Federal share/Recipient share)

Federal Award = \$150,000

Step 1            \$150,000 ÷ 75% Federal Share = \$200,000

Step 2            \$200,000 x 25% Recipient's Share = \$50,000

See the [OJP Grant Application Resource Guide](#) for additional information on this match requirement. For step-by-step instructions for entering match amounts in the budget, see the [Budget Summary Match Guide](#).

## Pre-agreement Costs (also known as Pre-award Costs)

See the [OJP Grant Application Resource Guide](#) for information on pre-agreement costs (also known as pre-award costs).

### **Limitation on Use of Award Funds for Employee Compensation: Waiver**

See the [OJP Grant Application Resource Guide](#) for information on the Limitation on Use of Award Funds for Employee Compensation; Waiver.

### **Prior Approval, Planning, and Reporting of Conference/Meeting/Training Costs**

See the [OJP Grant Application Resource Guide](#) for information on Prior Approval, Planning, and Reporting of Conference/Meeting/Training Costs.

### **Costs Associated with Language Assistance (if applicable)**

See the [OJP Grant Application Resource Guide](#) for information on Costs Associated with Language Assistance.

### **Eligibility Information**

For eligibility information, see the solicitation cover page.

For information on cost sharing or match requirements, see the “Federal Award Information” section.

For the purposes of this solicitation, “state” means any state of the United States, the District of Columbia, the Commonwealth of Puerto Rico, the Virgin Islands, Guam, American Samoa, and the Commonwealth of the Northern Mariana Islands.

**Notice regarding law enforcement agencies:** State, local, and university or college law enforcement agencies must be certified by an approved independent credentialing body or have started the certification process to be eligible for FY 2023 DOJ discretionary grant funding. To become certified, the law enforcement agency must meet two mandatory conditions: (1) the agency’s use-of-force policies adhere to all applicable federal, state, and local laws, and (2) the agency’s use-of-force policies prohibit chokeholds except in situations where use of deadly force is allowed by law. The certification requirement also applies to law enforcement agencies receiving DOJ discretionary grant funding through a subaward. For detailed information on this certification requirement, please visit <https://cops.usdoj.gov/SafePolicingEO> to access the Standards for Certification on Safe Policing for Safe Communities, the Implementation Fact Sheet, and the List of Designated Independent Credentialing Bodies.

A Proposal Abstract (no more than 400 words) summarizing the proposed project—including its purpose, primary activities, expected outcomes, the geographic service area, intended beneficiaries, and subrecipients (if known)—must be completed in

the JustGrants web-based form. This abstract should be in paragraph form without bullets or tables, written in the third person, and exclude personally identifiable information. Abstracts will be made publicly available on the OJP and USASpending.gov websites if the project is awarded. See the [OJP Grant Application Resource Guide](#) for an example of a proposal abstract. If priority consideration is being requested, please indicate the priority areas A and/or B selected.

## **Proposal Narrative**

The Proposal Narrative should be submitted as an attachment in JustGrants. The attached document should be double-spaced, using a standard 12-point font; have no less than 1-inch margins; and should not exceed 20 numbered pages. If the Proposal Narrative fails to comply with these length restrictions, OVC may consider such noncompliance in peer review and in final award decision. Tables, charts, and graphs included in the proposal narrative can be created in a legible font smaller than 12-point, and will count toward the page limit.

The Proposal Narrative must include the following sections:

a. Description of the Issue

This section must:

1. Identify the nature and scope of the problem that the program will address. Applicants must demonstrate the problem of human trafficking within the targeted geographic area. Applicants should cite the sources of this data, which could include local, state, and federal data regarding investigations, prosecutions, and the number of individuals identified as victims of human trafficking in the proposed geographic area, and data from victim service providers or other local stakeholders. Data should come from multiple sources and extend beyond national hotline data.
2. Describe previous or current attempts to address the problem, including documentation of the number of trafficking victims served each year during 2021 and 2022 within the targeted geographic area. At a minimum, applicants must identify the total number of victims they previously served within the targeted geographic area, and the types of victims they have served (sex or labor trafficking victims). Applicants must cite the sources of this data.
3. Describe the communities to be served, including the geographic area, populations in the service area, and any groups that are vulnerable to human trafficking. Applicants should identify any relevant underserved communities in their geographic area using data to support their findings (e.g., community data, Census data, client data).
4. Describe current efforts to address the service needs of trafficking survivors in the geographic area. Using online directories available from [OVC](#) and the [Office on Trafficking in Persons](#) (OTIP), applicants should determine if there is an existing federally funded trafficking victim service provider within their jurisdiction, and explain how the proposed project does not duplicate

these efforts and targets unmet needs.

5. Describe the problem of labor trafficking within the targeted geographic area; what is known and unknown about the problem; current efforts to identify labor trafficking victims; and gaps in the response to labor trafficking.

b. Project Design and Implementation

This section must:

1. State the goals and objectives of this project clearly. Goals and objectives must align with those stated in the Goals, Objectives, Deliverables section of this solicitation.
2. Provide a detailed description of the proposed activities necessary to implement this project and meet the stated goals and objectives.
3. Identify which underserved communities, if any, will be targeted through the proposed project.
4. Include a timeline that identifies a timeframe for all the tasks and activities to be completed.
5. Link project activities to the requirements of this solicitation and justify the logic of the proposed approach.
6. List project partners, as appropriate, to make the project activities effective and sustainable.
7. Describe how the applicant plans to ensure project activities are trauma-informed and protect the safety and confidentiality needs of victims. Include a description of how child rights and child developmental needs are incorporated into project design.
8. Identify specific services that will be provided with grant funds (see Appendix A) and describe how and where the services will be provided.
9. Describe how the applicant will meet the individualized service needs of victims and support victim-informed decisions and autonomy within the delivery of services.
10. Explain efforts to avoid further stigmatizing and/or criminalizing minors who have been trafficked.
11. Describe how the applicant will coordinate with other OVC and federally and state-funded anti-trafficking programs to meet the comprehensive needs of trafficking victims.
12. Describe how the proposed project is designed to enhance responses to labor trafficking victims. Failure to include such a description will be taken into consideration when this section is scored during peer review.

If the applicant is seeking priority consideration for **Priority A**, it should address in this section how the proposed project(s) will promote racial equity and the removal of barriers to access and opportunity for communities that have been historically underserved, marginalized, and adversely affected by inequality, and identify how the project design and implementation will specifically incorporate the input or

participation of these communities.

c. Capabilities and Competencies

This section must:

1. Demonstrate the institutional experience and expertise (or have submitted formal agreements with partners with experience and expertise with the application) to effectively implement the requirements of this solicitation.
2. Identify the key individuals and organizations involved in the proposed project.
3. Demonstrate that the individuals and organizations identified have the capacity to address the stated need, including the expertise necessary to successfully implement the proposed project activities.
4. Describe specific roles and responsibilities of all project partners and key staff.
5. Demonstrate that project staff have appropriate training and experience to implement project activities as described in the proposal, including the knowledge and expertise necessary to implement culturally responsive projects with the identified underserved communities, and document plans and position descriptions for staff to be hired.
6. Demonstrate the capacity and expertise of any proposed project partners to successfully implement the project activities including implementing culturally responsive projects with the identified underserved communities.
7. Clearly describe who will implement activities as described in the Project Design and Implementation section.
8. Describe the applicant's experience managing grants and document their administrative and financial capacity to manage federal grants, such as examples of financial controls.

If the applicant has other grants for providing services to victims of human trafficking, the applicant must describe the scope of each of these grants and describe how activities and data collection on these projects will be tracked separately to avoid duplication.

If the applicant is seeking priority consideration under **Priority B**, it should describe within this section how being a culturally specific organization (or funding a culturally specific subrecipient organization at a minimum of 40% of the project budget) will enhance its ability to implement the proposed project(s), should also specify which populations are intended or expected to be served or have their needs addressed under the proposed project(s), and should include the website address (if applicable) and formal or informal mission statement or principles of the culturally specific organization.

d. Plan for Collecting the Data Required for this Solicitation's Performance Measures

This section must include the following information:

1. A plan for collecting all the performance measures data required by this solicitation.
2. A description of the qualifications of key staff who will be responsible for collecting data and reporting performance measures.

In addition, this plan must describe how the applicant will use the collected data to confirm whether they are identifying and serving labor trafficking victims as described in the application.

Note: An applicant is **not** required to submit performance data with the application. Rather, performance measure information is included as a notification that award recipients will be required to submit performance data as part of each award's reporting requirements. Some measures are presented as examples, while others are the exact measures that every recipient will be expected to address.

OJP will require each award recipient to submit regular performance data that show the completed work's results. The performance data directly relate to the goals, objectives, and deliverables identified in the "Goals, Objectives, and Deliverables" discussion. Applicants can visit OJP's performance measurement page at [www.ojp.gov/performance](http://www.ojp.gov/performance) for an overview of performance measurement activities at OJP.

A list of performance measure questions for this program can be found at

<https://ovc.ojp.gov/funding/performance-measures/human-trafficking/human-trafficking-performance-measures-questionnaire.pdf>.

OVC will require award recipients to submit quarterly performance measure data in the Performance Measurement Tool (PMT) and separately submit a semi-annual performance report in JustGrants. A list of resources and trainings can be found at <https://ovc.ojp.gov/funding/performance-measures/human-trafficking>.

OVC will provide further guidance on the post-award submission process, after making awards.

e. Stakeholder Collaboration

For services that are proposed to be subawarded to project partners, the applicant must name the project partner that will provide the specific services in the program

narrative and include an attachment (for example, a subcontract/subgrant, Letter of Intent, or MOU) that describes the organization's commitment to provide a specific service, who will be served (sex trafficking victims, labor trafficking victims, or both) and a description of the fee for the service or cost to the grant for each service.

### **Note on Project Evaluations**

An applicant that proposes to use award funds through this solicitation to conduct project evaluations must follow the guidance in the "Note on Project Evaluations" section in the [OJP Grant Application Resource Guide](#).

### **Goal, Objective and Deliverables**

The applicant will submit the project's goals, objectives, deliverables and timeline in the JustGrants web-based form. The applicant will also enter the projected fiscal year and quarter that each objective and deliverable will be completed. Please refer to the [Application Submission Job Aid](#) for step-by-step directions.

**Goals.** The applicant should describe the project's intent to change, reduce, or eliminate the problem noted in the previous section and outline the project's goals.

**Program Objectives.** The applicant should explain how the program will accomplish its goals. Objectives are specific, quantifiable statements of the project's desired results. They should be measurable and clearly linked to the goal.

**Deliverables.** Project deliverables refer to outputs—tangible or intangible—that are submitted within the scope of a project.

### **Budget and Associated Documentation**

Please note Unallowable Costs and Limitations on the Use of Funds in the Program-Specific section.

### **Budget Worksheet and Budget Narrative (Web-based Form)**

The applicant will complete the JustGrants web-based budget form. For additional information, see the [OJP Grant Application Resource Guide and the Complete the Application in JustGrants – Budget](#) training.

If the applicant is seeking priority consideration under Priority A and has proposed activities (such as community or stakeholder meetings, community outreach or public awareness campaigns, community participation in project design, implementation, or evaluation, etc.) to incorporate the input and participation of communities that have been

historically underserved, marginalized, and adversely affected by inequality, financial support for the identified activities and participation must be reflected in the web-based budget form.

If the applicant is seeking priority consideration under Priority B based on the identification of at least one proposed subrecipient as a culturally specific organization, the proposed funding for the subrecipient in the web-based budget form **must reflect a minimum of 40% of award funding**. The budget narrative must also describe how the activities that will be funded with the (minimum) 40% of award funding provided to the subrecipient **specifically relate to the priority consideration requested** and described in the Capabilities and Competencies section of the application.

For applications submitted from two or more entities, applicants are encouraged to develop and submit signed MOUs or signed Letters of Intent that provide a detailed description of how the agencies will work together to meet project requirements.

Each MOU or Letter of Intent should include the following: (1) names of the organizations involved in the agreement; (2) scope of the direct service(s) and other work to be performed under the agreement; (3) duration of the agreement. Subcontracts, MOUs, or Letters of Intent should be submitted as one separate attachment to the application.

### **Additional Application Components**

The applicant will attach the additional requested documentation in JustGrants.

See the [OJP Grant Application Resource Guide](#) for additional information.

## **How to Apply**

**Registration:** Before submitting an application, all applicants must register with the System for Award Management (SAM). You must renew and validate your registration every 12 months. If you do not renew your SAM registration, it will expire. An expired registration can delay or prevent application submission in Grants.gov and JustGrants.

Registration and renewal can take up to 10 business days to complete.

Submission: Applications must be submitted to DOJ electronically through a two-step process via Grants.gov and JustGrants.

**Step 1:** After registering with SAM, the applicant must submit the **SF-424** and **SF-LLL** in Grants.gov at <https://www.grants.gov/web/grants/register.html> by the Grants.gov deadline. **Submit the SF-424 and SF-LLL as early as possible, but no later than 48 hours before the Grants.gov deadline.** If an applicant fails to submit in Grants.gov, they will be unable to apply in JustGrants.

**Step 2:** The applicant must then submit the **full application**, including attachments, in JustGrants at [JustGrants.usdoj.gov](https://www.justgrants.usdoj.gov) by the JustGrants deadline.

Within 24 hours after receipt of confirmation emails from Grants.gov, the individual in Section 8F of the SF-424 will receive an email from [DIAMD-NoReply@usdoj.gov](mailto:DIAMD-NoReply@usdoj.gov) with instructions on how to create a JustGrants account. Register the Entity Administrator and the Application Submitter with JustGrants as early as possible but no later than 48-72 hours before the JustGrants deadline. Once registered in JustGrants, the Application Submitter will receive an emailed link to complete the rest of the application in JustGrants. The Entity Administrator also will need to log into JustGrants to review and invite the applicant's Authorized Representative(s) before an application can be submitted.

Submit the complete application package in JustGrants at least 24 – 48 hours prior to the JustGrants deadline. Some of the application components will be entered directly into JustGrants, and others will require uploading attached documents. Therefore, applicants will need to allow ample time before the JustGrants deadline to prepare each component. Applicants may save their progress in the system and revise the application as needed prior to hitting the Submit button at the end of the application in JustGrants.

For additional information, see the "How to Apply" section in the [OJP Grant Application Resource Guide](#) and the [DOJ Application Submission Checklist](#).

### **Submission Dates and Time**

The **SF-424 and the SF-LLL** must be submitted in Grants.gov by 11:59 p.m. eastern time on June 6, 2023.

The **full application** must be submitted in JustGrants by 8:59 p.m. eastern time on June 13, 2023.

OJP urges applicants to submit their Grants.gov and JustGrants submissions prior to the due dates with sufficient time to correct any errors and resubmit by the submission deadlines if a rejection notification is received. To be considered timely, the **full application** must be submitted in JustGrants by the JustGrants application deadline. Failure to begin the SAM.gov, Grants.gov, or JustGrants registration process in sufficient

time (i.e., waiting until the date identified in this solicitation) is not an acceptable reason for late submission.

### **Experiencing Unforeseen Technical Issues Preventing Submission of an Application**

OJP will only consider requests to submit an application after the deadline when the applicant can document that a technical issue with a government system prevented application submission.

If an applicant misses a deadline due to unforeseen technical issues with SAM.gov, Grants.gov, or JustGrants, the applicant may request a waiver to submit an application after the deadline. However, the waiver request will not be considered unless it includes a tracking number generated when the applicant contacts the applicable service desks to report technical difficulties. Tracking numbers are generated automatically when an applicant emails the applicable service desks; and for this reason applicants are encouraged to email the appropriate service desk, even if they also intend to call the service desk for phone support. Experiencing wait times for phone support does not relieve the applicant of the responsibility of getting a tracking number.

An applicant experiencing technical difficulties must contact the associated service desk indicated below to report the technical issue and receive a tracking number:

- SAM.gov - contact the [SAM Help Desk \(Federal Service Desk\)](#), Monday – Friday from 8 a.m. to 8 p.m. ET at 866-606-8220.
- Grants.gov - contact the [Grants.gov Customer Support Hotline](#), 24 hours a day, 7 days a week, except on federal holidays, at 800-518-4726, 606-545-5035, or [support@grants.gov](mailto:support@grants.gov).
- JustGrants - contact the JustGrants Service Desk at [JustGrants.Support@usdoj.gov](mailto:JustGrants.Support@usdoj.gov) or 833-872-5175, Monday – Friday from 5 a.m. to 9 p.m. ET and Saturday, Sunday, and Federal holidays from 9 a.m. to 5 p.m. ET.

If an applicant has technical issues with SAM.gov or Grants.gov, the applicant must contact the OJP Response Center at [grants@ncjrs.gov](mailto:grants@ncjrs.gov) within **24 hours of the Grants.gov deadline** to request approval to submit after the deadline.

If an applicant has technical issues with JustGrants that prevent application submission by the deadline, the applicant must contact the OJP Response Center at [grants@ncjrs.gov](mailto:grants@ncjrs.gov) within **24 hours of the JustGrants deadline** to request approval to submit after the deadline.

Waiver requests sent to the OJP Response Center must -

- describe the technical difficulties experienced,

- include a timeline of the applicant's submission efforts (e.g., date and time the error occurred, date and time of actions taken to resolve the issue and resubmit; and date and time support representatives responded),
- include an attachment of the complete grant application and all the required documentation and materials,
- include the applicant's Unique Entity Identifier (UEI), and
- include any SAM.gov, Grants.gov, and JustGrants Service Desk tracking numbers documenting the technical issue.

OJP will review each waiver request and the required supporting documentation and notify the applicant whether the request for late submission has been approved or denied. An applicant that does not provide documentation of a technical issue or that does not submit a waiver request within the required time period will be denied.

For more details on the waiver process, OJP encourages applicants to review the “Experiencing Unforeseen Technical Issues” section in the [OJP Grant Application Resource Guide](#).

## Application Review Information

### Review Criteria

#### Merit Review Criteria

Applications that meet the basic minimum requirements will be evaluated by peer reviewers on how the proposed project/program addresses the following criteria:

Description of the Issue (20%) – evaluate the applicant’s understanding of the program/issue to be addressed.

Project Design and Implementation (30%) – evaluate the adequacy of the proposal, including the goals, objectives, timelines, milestones, and deliverables.

Capabilities and Competencies (25%) – evaluate the applicant’s administrative and technical capacity of the applicant to successfully accomplish the goals and objectives.

Plan for Collecting the Data Required for this Solicitation’s Performance Measures (5%) – evaluate the applicant’s understanding of the performance data reporting requirements and the plan for collecting the required data.

Budget (10%) – evaluate for completeness, cost effectiveness, and allowability (e.g., reasonable, allocable, and necessary for project activities).

Stakeholder Collaboration (10%) – evaluate that the applicant included names of project partners that will provide the specific services, including subcontract/subgrant, Letter of Intent, or MOU that describes the organization’s commitment to provide a specific service, and a description of the fee for the service or cost to the grant for each service.

### **Other Review Criteria/Factors**

Other important considerations for OVC include geographic diversity, strategic priorities (specifically including, but not limited to, those priority areas already mentioned, if applicable), available funding, past performance, and the extent to which the Budget Web-Based Form accurately explains project costs that are reasonable, necessary, and otherwise allowable under federal law and applicable federal cost principles.

### **Review Process**

Applications submitted under this solicitation that meet the basic minimum requirements will be evaluated for technical merit by a peer review panel(s) in accordance with OJP peer review policy and procedures using the review criteria listed above.

OJP screens applications to ensure they meet the basic minimum requirements prior to conducting the peer review. Although specific requirements may vary, the following are common requirements applicable to all OJP solicitations:

- The application must be submitted by an eligible type of applicant.
- The application must request funding within programmatic funding constraints (if applicable).
- The application must be responsive to the scope of the solicitation.
- The application must include all items necessary to meet the basic minimum requirements.

Pursuant to the Part 200 Uniform Requirements, before award decisions are made, OJP also reviews information related to the degree of risk posed by the applicant entity. Among other things to help assess whether an applicant with one or more prior federal awards has a satisfactory record of performance, integrity, and business ethics, OJP checks whether the applicant entity is listed in SAM as excluded from receiving a federal award.

In addition, if OJP anticipates that an award will exceed \$250,000 in federal funds, OJP also must review and consider any information about the applicant entity that appears in the non-public segment of the integrity and performance system accessible through SAM (currently, the Federal Awardee Performance and Integrity Information System, FAPIIS).

**Important Note on FAPIIS:** An applicant may review and comment on any information about its organization that currently appears in FAPIIS and was entered by a federal awarding agency. OJP will consider such comments by the applicant, in addition to the other information in FAPIIS, in its assessment of the risk posed by the applicant entity.

Absent explicit statutory authorization or written delegation of authority to the contrary, all final award decisions will be made by the Assistant Attorney General, who may consider not only peer review ratings and OVC recommendations, but also other factors as indicated in this section.
