### SAM.gov Entity Registration and Renewal Reminder

All entities seeking Department of Justice (DOJ) grant funding must have an active registration in [SAM.gov](https://sam.gov). Once registered, entities must complete annual renewals to maintain an active status.

It is recommended that you **begin the SAM.gov registration or renewal process 30 days prior to any deadlines** to allow for the time necessary to complete the full process, including SAM.gov's entity validation process. If you intend to apply for a specific DOJ opportunity, refer to the Grants.gov due date provided on the solicitation, and plan your SAM.gov registration accordingly.

For additional support, visit [SAM.gov Help](#).

When available, OVC funding opportunities will be listed on this page.

## DOJ Application Submission Checklist

Submitting an application to DOJ is a two-part process. An applicant first submits an abbreviated application in Grants.gov. The full application is then completed in JustGrants, DOJ's grants management system. The following steps and tips will assist potential applicants in completing DOJ applications.

### Step 1: Confirm your Entity's System for Award Management (SAM) registration information:

- Register with SAM or confirm that your SAM registration is active and up-to-date. You must renew and validate your registration every 12 months. If you do not renew your SAM registration, it will expire. An expired registration can delay or prevent application submission in Grants.gov and JustGrants. **Registration and renewal can take up to 10 business days to complete.**
- On April 4, 2022, the federal government will stop using Data Universal Numbering System (DUNS) numbers and start using the **new SAM Unique Entity Identifier (UEI)**.
- Entities new to JustGrants: Confirm that the contact information (email address) for your Entity's Electronic Business Point-of-Contact (E-Biz POC) in SAM is accurate and up-to-date. The E-Biz POC is onboarded in JustGrants as the Entity's first Entity Administrator and will receive notifications from JustGrants. The Entity Administrator is responsible for completing Entity User onboarding in JustGrants. Once the Entity Administrator is onboarded, that role can be reassigned to another Entity User.
- Technical issues with SAM registration or renewal must be reported to the **SAM Help Desk (Federal Service Desk)**.

### Step 2: Apply in Grants.gov:

- Effective February 21, 2022, all Grants.gov users and applicants will need to use **Login.gov credentials**.
- Search for an open DOJ funding opportunity in Grants.gov or on the agency website and review the solicitation requirements.
- Complete and submit the required documents in Grants.gov at least 48-72 hours prior to the Grants.gov deadline to allow for time to correct any problems or errors. The Grants.gov portion of your application includes the SF-424 and SF-LLL. (Note: The user and email identified in Section 8.F of the SF-424 will be identified as the Application Submitter in JustGrants and will receive future notifications from JustGrants.)
