

## Questions for Church Leaders

1. What are you currently doing to expand your ministry?
2. How satisfied are you with those efforts?
3. How do you feel about what you've heard regarding HALOS and the role of HALOS partners in supporting DSS and their clients?
4. What opportunities do you see for your church to participate in the HALOS program? What could you see your church doing?
5. How interested do you feel members of your congregation would be to work with DSS clients?
6. What obstacles do you see that might prevent you from participating?
7. How do you think those obstacles could be overcome?
8. If you're not interested, tell us why.
9. What would have to happen for that situation to change?
10. Who else should we talk to?
