

Know the Faces of Human Trafficking

*"Don't stay quiet. Reach out,
speak out about any kind of
mistreatment or abuse."*

— Victor
Survivor Advocate

If you are being forced to work or engage in commercial sex, help is available. To learn about your rights and to find services in your area, visit the human trafficking section of the Office for Victims of Crime website at www.ovc.gov/trafficking or contact the National Human Trafficking Resource Center at **888-373-7888** or traffickingresourcecenter.org.
