This program furthers the Department’s mission by enhancing the field’s response to child and youth victims of human trafficking.
OVC Mission Statement

OVC is committed to enhancing the Nation’s capacity to assist crime victims and to providing leadership in changing policies and practices to promote justice and healing for all victims of crime.
Purpose

To improve statewide coordination and multidisciplinary collaboration to address human trafficking involving children and youth.
The purpose of this program is to improve outcomes for children and youth who are victims of human trafficking by integrating human trafficking policy and programming at the state or tribal level and enhancing coordinated, multidisciplinary, and statewide approaches to all forms of trafficking, as well as at-risk populations.
Scope of this program (Pg. 5)

• severe form of trafficking in persons—defined on p. 5

• child of children—defined on p. 5

• youth—defined on p. 5
Submission Deadline

11:59 p.m. ET
May 18, 2020

OJP urges applicants to submit applications at least 72 hours prior to the application due date.
Goal

• To improve responses for child and youth victims of trafficking with a focus on coordination at the statewide or tribal jurisdiction level to create effective change across systems.

• Recognizing that each state is unique, applicants should identify the state or tribe’s greatest barriers to identifying and assisting child and youth victims of sex and labor trafficking and/or to investigating and prosecuting these trafficking cases, and propose a program to systematically address those barriers.
Objectives & Deliverables (Pgs. 5-6)

1. Develop and implement a jurisdiction-wide strategy to combat the greatest challenge areas in child and youth sex and labor trafficking within the state or tribe.

   • Deliverable: Submit a written strategy or action plan. The strategy should be supported by the baseline data provided in the application and must be finalized by the grantee and approved by OVC and implemented within the first year of the project start date.

   • Deliverable: Documented lessons learned related to implementing the statewide strategy and the potential impacts on child and youth victims of human trafficking.
2. Develop protocols and procedures to ensure child and youth victims receive appropriate services, including developmentally, age-appropriate, and/or linguistically tailored referrals and/or services; and strengthening data collection across multiple systems of care that work with and provide services to youth.

- Deliverable: Written protocols and procedures.
3. Develop a unified strategy to provide training to professionals throughout the jurisdiction, including, but not limited to, law enforcement officers, first responders, victim service providers, health care professionals, child welfare officials, juvenile justice personnel, prosecutors, judicial personnel, and other relevant organizations.

- Deliverable: A written training plan and submission of training materials.
- Deliverable: Outreach and awareness materials, including social media and technology efforts, designed and tailored for those working with children and youth victims of human trafficking.
4. Fill gaps in existing services and coordinate responses in existing anti-trafficking and youth-serving efforts, including those related to victim assistance, law enforcement, child welfare, runaway and homeless youth, and juvenile justice, among others. Applicants should determine if there is an existing federally funded trafficking victim service provider within their jurisdiction, and work to ensure that the new application does not duplicate existing services currently funded by OVC, the Department of Health and Human Services (HHS), the Office on Violence Against Women, or another federal office or agency.

• Deliverable: Documentation and reporting on services provided.
5. Conduct data collection evaluation activities to determine if the program is meeting stated goals and objectives.

• Deliverable: A Plan for Evaluation and Data Collection for this Solicitation’s Performance Measures should be submitted as one separate component to the application.
Unallowable Costs (Pgs. 6-7)
The following activities cannot be supported with grant funds:

Holding Beds
• Grantees may not “hold beds” in a housing facility by charging their cost to the grant and keeping them empty until a victim needs the bed when other victims need access to the beds, as this would be considered an unallowable contingency payment (see CFR 200.433 (c)).

Stipends/Incentives to Participate in Services
• Neither cash nor non-cash stipends or incentives may be paid to victims to encourage their participants in services.
  – Nominal cash or non-cash (e.g., taxi or ride share vouchers, public transportation tickets or tokens; money to pay for child care or gift cards for meals that are necessary when participants receive services) are allowable.

Primary Prevention Activities
• Per 22 U.S.C. § 7105(b)(2), the purpose of this funding is to support victim service programs: therefore, applicants should not propose primary prevention activities under this program.

OVC may, in certain cases, provide additional funding in future years to awards made under this solicitation, through continuation awards. OJP will consider, among other factors, OJP’s strategic priorities, a recipient’s overall management of the award, and progress of award-funded work, when making continuation award decisions.

All awards are subject to the availability of appropriated funds and to any modifications or additional requirements that may be imposed by law.
Awards will be made as **Grants**:  

- Legal instrument of financial assistance  
- **Awarding agency** maintains an **oversight** and **monitoring** role

• Recipients are also obligated to provide meaningful access to their programs and activities for persons with limited English proficiency.

• Recipients may not discriminate on the basis of sex in education or training programs.
Civil Rights Requirements (cont.)

• If you receive VOCA, VAWA, FVPSA or HUD funding, you may have further requirements preventing you from discriminating or excluding individuals from participation in your housing or other programming based on sex, sexual orientation, or gender identity. Consult your legal counsel on how that may impact your housing programming.

• To learn more, consult the [Office for Civil Rights at the Office of Justice Programs](#).
Pursuant to 22 U.S.C. § 7105(b)(2), this solicitation requires a 25 percent **cash or in-kind match**.

See [OJP Grant Application Resource Guide](#) for additional information on this match requirement.
