The U.S. Department of Justice, Office for Victims of Crime, is pleased to announce that it is seeking applications for funding under the Recovery Act - VOCA Victim Compensation Formula Grant Program.

On February 17, 2009, President Obama signed into law the landmark American Recovery and Reinvestment Act of 2009 (the “Recovery Act”). As one of its many elements, the Recovery Act provides the U.S. Department of Justice (DOJ) with funding for grants to assist state, local, and tribal law enforcement (including support for hiring), to combat violence against women, to fight internet crimes against children, to improve the functioning of the criminal justice system, to assist victims of crime, and to support youth mentoring. DOJ is committed to working with our national, state, local and tribal partnerships to ensure this funding invests in the American workforce.

Specifically, under this solicitation, the Office for Victims of Crime will award each eligible state compensation program a Recovery Act - VOCA victim compensation formula grant to support the provision of crucial financial assistance to victims throughout the Nation.

Recovery Act - OVC FY09
VOCA Victim Compensation
Formula Grant Program

CFDA # 16.802

Overview

This grant program is authorized by the American Recovery and Reinvestment Act of 2009 (Public Law 111-5) (the “Recovery Act”) and by the Victims of Crime Act of 1984 (VOCA), 42 U.S.C. 10602(a).

The stated purposes of the Recovery Act are: to preserve and create jobs and promote economic recovery; to assist those most impacted by the recession; to provide investments needed to increase economic efficiency by spurring technological advances in science and health; to invest in transportation, environmental protection, and other infrastructure that will provide long-term economic benefits; and to stabilize state and local government budgets, in order to minimize and avoid reductions in essential services and counterproductive state and local tax increases.

The Recovery Act places great emphasis on accountability and transparency in the use of taxpayer dollars. Among other things, it creates a new Recovery Accountability and Transparency Board and a new website—Recovery.gov—to provide information to the public, including access to detailed information on grants and contracts made with Recovery Act funds.

The Office for Victims of Crime (OVC) will award each eligible state compensation program a Recovery Act - VOCA victim compensation formula grant to support the provision of crucial financial assistance to victims throughout the Nation. Under VOCA, state programs are required to offer compensation to victims and survivors for the following four categories of expenses: medical expenses; mental health counseling and care; loss of wages; and funeral expenses. Other expenses may be authorized by a state statute, rule or other established policy.

Absent explicit statutory authorization or written delegation of authority to the contrary, all final grant award decisions will be made by the OJP Assistant Attorney General (AAG).

Deadline: Registration

Registering with OJP’s Grants Management System (GMS)

Applications must be submitted through OJP’s online Grants Management System (GMS). To access the system, go to https://grants.ojp.usdoj.gov. Applicants should begin the process immediately to meet the GMS registration deadline, especially if this is the first time they have used the system. Each application requires a separate GMS registration. The registration process for organizations includes: (1) Obtaining a Data Universal Numbering System (DUNS)
number; (2) Registering your organization with the Central Contractor Registration (CCR) database; and (3) Registering with GMS prior to applying.

The deadline to register is 8:00 p.m. Eastern Time on March 13, 2009.

**A DUNS number is required.** All applicants under this solicitation must include a DUNS (Data Universal Numbering System) number in their application. Applications without a DUNS number are incomplete.

A DUNS number is a unique nine-digit sequence recognized as the universal standard for identifying and keeping track of entities receiving Federal funds. The identifier is used for tracking purposes and to validate address and point of contact information for federal assistance applicants, recipients, and subrecipients. The DUNS number will be used throughout the grant life cycle. Obtaining a DUNS number is a free, simple, one-time activity. Obtain one by calling 1-866-705-5711 or by applying online at [http://www.dnb.com/us/](http://www.dnb.com/us/). Individuals are exempt from this requirement.

**Central Contractor Registration (CCR) is required.** In addition to the DUNS number requirement, OJP requires that all applicants (other than individuals) for federal financial assistance maintain current registrations in the Central Contractor Registration (CCR) database. The CCR database is the repository for standard information about federal financial assistance applicants, recipients, and subrecipients. Organizations that have previously submitted applications via Grants.gov are already registered with CCR, as it is a requirement for Grants.gov registration. Please note, however, that applicants must update or renew their CCR registration at least once per year to maintain an active status. Information about registration procedures can be accessed at [www.ccr.gov](http://www.ccr.gov).

**Deadline: Application**

The due date for applying for funding under this announcement is 8:00 p.m. Eastern Time on March 20, 2009.

**Eligibility**

All states, the District of Columbia, the Commonwealth of Puerto Rico, the U.S. Virgin Islands, and any other possession or territory of the United States that has an eligible crime victim compensation program are eligible to receive an Recovery Act - VOCA victim compensation formula grant. Eligible state agencies who receive a Recovery Act - VOCA victim compensation formula grant funds must meet the eligibility requirements specified in VOCA, 42 U.S.C. 10602 (b).

**Additional Requirements related to the Recovery Act (including certification requirements):**

**Reporting on the Use of Funds.** In order to be eligible to receive funds under this solicitation, applicants must certify that they will satisfy the reporting requirements of section 1512(c) of the Recovery Act, which requires detailed reporting (including reporting on subawards) not later than **ten calendar days after the end of each calendar quarter**. Detailed information on
section 1512(c) appears below, under “Accountability and Transparency under the Recovery Act.” A template for the certification is included in the appendix. Applicants may expect that a standard form and/or standard reporting mechanism will be made available.

**Funding Distribution and Appropriate Use of Funds.** Section 1607 of the Recovery Act requires either a certification by the Governor or a concurrent resolution of the state legislature concerning funds distribution and assurance of appropriate use of funds. States may not receive funds under this Recovery Act solicitation unless section 1607 is satisfied. (Refer to the “OJP Recovery Act Additional Requirements” webpage at [http://www.ojp.usdoj.gov/recovery/solicitationrequirements.htm](http://www.ojp.usdoj.gov/recovery/solicitationrequirements.htm) for the text of section 1607.)

**Certification regarding Infrastructure Investments.** Pursuant to section 1511 of the Recovery Act, a State or local government (including a federally-recognized Indian tribal government) may not receive funds for an infrastructure investment (for example, construction or major renovation of a correctional facility) unless the Governor, mayor, or other chief executive, as appropriate, certifies that the infrastructure investment has received the full vetting required by law and that the chief executive accepts responsibility that the infrastructure is an appropriate use of taxpayer dollars. The certification must include a description of the infrastructure investment, the estimated total cost, and the amount of Recovery Act funds to be used, and must be posted on a website that is linked to Recovery.gov. (Refer to the “OJP Recovery Act Additional Requirements” webpage at [www.ojp.usdoj.gov/recovery/solicitationrequirements.htm](http://www.ojp.usdoj.gov/recovery/solicitationrequirements.htm) for the text of section 1511.)

Consistent with section 1511, all applicants under this solicitation must complete a “General Certification as to Requirements for Receipt of Funds for Infrastructure Investments,” a template for which is included in the appendix. Recipients that are awarded funds for one or more infrastructure investment projects must also submit and post a certification that satisfies section 1511 as to each such specific project prior to obligating, expending, or drawing down funds for such a project. Applicants or recipients that intend to prepare a section 1511 certification should consult the “OJP Recovery Act Additional Requirements” webpage at [www.ojp.usdoj.gov/recovery/solicitationrequirements.htm](http://www.ojp.usdoj.gov/recovery/solicitationrequirements.htm). If a standard form becomes available, OJP will include a notice in the appropriate section of the webpage.

**Program-Specific Information**

All awards are subject to the availability of appropriated funds and any modifications or additional requirements that may be imposed by law. Applicants also should anticipate that awards under the Recovery Act will be one-time awards and accordingly should propose project activities and deliverables that can be accomplished without additional DOJ funding.

Funds under this program shall be used by the state and territories to provide financial assistance to, or on behalf of, crime victims with the following exception: States and territories may retain up to 5 percent of their total grant for administrative and training purposes. All eligible crime victim compensation programs will receive a Recovery Act - VOCA victim compensation formula grant.
Grants will be made in accordance with VOCA, 42 U.S.C. 10602(a).

(1) “Except as provided in paragraph (2), the Director shall make an annual grant from the Fund to an eligible crime victim compensation program of 40 percent in fiscal year 2002 and of 60 percent in subsequent fiscal years of the amounts awarded during the preceding fiscal year, other than amounts awarded for property damage. Except as provided in paragraph (3), a grant under this section shall be used by such program only for awards of compensation.”

(2) “If the sums available in the Fund for grants under this section are insufficient to provide grants of 40 percent in fiscal year 2002 and of 60 percent in subsequent fiscal years as provided in paragraph (1), the Director shall make, from sums available, a grant to each eligible crime victim compensation program so that all such programs receive the same percentage of the amounts awarded by such program during the preceding fiscal year other than the amounts available for property damage.”

(3) “Not more than 5 percent of a grant made under this section may be used for training purposes and the administration of the state crime victim compensation program receiving the grant.”

Consequently, if the sums available for grants in the Recovery Act of 2009 appropriation are insufficient to provide grants of 60 percent of what the state spent in state-funded benefits two years previously, the grants will be reduced in accordance with VOCA, 42 U.S.C. 10602(a)(2).

OVC has posted the funding allocation chart for this program on its website: http://www.ovc.gov/fund/recoverycvfa2009.html.

Grant awards will be made available for expenditure throughout the Federal Fiscal Year of award plus the following three fiscal years.

Grant awards will be administered by OVC under the applicable provisions of VOCA, 42 U.S.C. 10602, the Recovery Act – OVC FY09 VOCA Victim Compensation Formula Grant Program solicitation, the Final Program Guidelines for the VOCA Crime Victim Compensation Formula Grant Program (published in the Federal Register on May 16, 2001), the applicable provisions of the American Recovery and Reinvestment Act of 2009, Public Law 111-5, signed by the President on February 17, 2009, the Office of Justice Programs Financial Guide, applicable OMB Circulars, and Department of Justice regulations applicable to specific types of grantees, which can be found in title 28 of the Code of Federal Regulations (28 C.F.R.).

**Non-supplanting:** All applicants must file a non-supplanting certification as part of the eligibility for these funds. Further, Federal funds must be used to supplement existing state and local funds for program activities and must not replace those funds that have been appropriated for the same purpose. See the OJP Financial Guide (Part II, Chapter 3) [hyperlink to OJP Financial Guide]. Additional information appears on the “OJP Recovery Act Additional Requirements” webpage at www.ojp.usdoj.gov/recovery/solicitationrequirements.htm.

**Recovery Act: Buy American**

All applicants that propose to use grant funds to construct, alter, maintain, or repair a public building or public work should be aware that the Recovery Act (in section 1605) contains a “Buy American” provision that applies to iron, steel, and manufactured goods, subject to certain
exceptions. The provision is to be applied in a manner consistent with United States obligations under international agreements. Government-wide guidance on this provision is not yet available, but is expected. For the text of section 1605, please refer to the “OJP Recovery Act Additional Requirements” webpage at www.ojp.usdoj.gov/recovery/solicitationrequirements.htm.

**Recovery Act: Wage Rate Requirements**  
All applicants should be aware that the Recovery Act contains a provision on wage rate requirements that concerns projects funded or assisted by Recovery Act funds that employ laborers and mechanics. See section 1606 of the Recovery Act, the text of which appears on the “OJP Recovery Act Additional Requirements” webpage at www.ojp.usdoj.gov/recovery/solicitationrequirements.htm. Government-wide guidance on this provision is not yet available, but is expected.

**Recovery Act: Contracts**  
Generally speaking, the Recovery Act places special emphasis on the use of fixed-price contracts awarded through competitive procedures. As information becomes available, OJP will provide guidance to applicants as to what, if any, particular procurement requirements or procedures may apply to contracts awarded with Recovery Act grant funds, apart from those that appear in 28 C.F.R. Part 66 and 28 C.F.R. Part 70.

**Recovery Act: Limit on Funds**  
The Recovery Act specifically provides that funds may not be used by any state or local government, or any private entity, for any casino or other gambling establishment, aquarium, zoo, golf course, or swimming pool.

**Recovery Act: Use of Funds in Conjunction with Funds from Other Sources.**  
Recovery Act funds may be used in conjunction with other funding as necessary to complete projects, but tracking and reporting of Recovery Act funds must be separate, to meet the reporting and other requirements of the Recovery Act and other applicable law. There can be no commingling of funds. (See “Accountability and Transparency under the Recovery Act,” below.)

**Accountability and Transparency under the Recovery Act**

**Separate Tracking and Reporting of Recovery Act Funds and Outcomes**

Consistent with the special purposes and goals of the Recovery Act, and its strong emphasis on accountability and transparency, it is essential that all funds from a Recovery Act grant be tracked, accounted for, and reported on separately from all other funds (including DOJ grant funds from non-Recovery-Act grants awarded for the same or similar purposes or programs). Recipients must also be prepared to track and report on the specific outcomes and benefits attributable to use of Recovery Act funds.

The accounting systems of all recipients and subrecipients must ensure that funds from any award under this Recovery Act solicitation are not commingled with funds from any other source.

Misuse of grant funds may result in a range of penalties, including suspension of current and future funds, suspension or debarment from federal grants, recoupment of monies provided under a grant, and civil and/or criminal penalties.
Quarterly Financial and Programmatic Reporting

Consistent with the Recovery Act emphasis on accountability and transparency, reporting requirements under Recovery Act grant programs will differ from and expand upon OJP’s standard reporting requirements for grants. In particular, section 1512(c) of the Recovery Act sets out detailed requirements for quarterly reports that must be submitted within 10 days of the end of each calendar quarter. Receipt of funds will be contingent on meeting the Recovery Act reporting requirements.

Under this Recovery Act program, quarterly financial and programmatic reporting will be required, and will be due within 10 calendar days after the end of each calendar quarter, starting July 10, 2009.

The information from grantee reports will be posted on a public website. To the extent that grant funds are available to pay a grantee’s administrative expenses, those funds may be used to assist the grantee in meeting the accelerated time-frame and extensive reporting requirements of the Recovery Act.

Recovery Act grant recipients may expect that the information posted by OJP will identify grantees that are delinquent in their reporting. In addition, in keeping with standard OJP practice, grant recipients who do not submit required reports by the due date will not be permitted to draw down funds thereafter, during the pendency of the delinquency, and may be subject to other appropriate actions by OJP, including, but not limited to, restrictions on eligibility for future OJP awards, restrictions on draw-down on other OJP awards, and suspension or termination of the Recovery Act award.

Funding recipients may expect that a standard form and/or reporting mechanism may be available. Additional instructions and guidance regarding the required reporting will be provided as they become available. For planning purposes, however, all applicants should be aware that the Recovery Act section 1512(c) provides as follows:

Recipient Reports- Not later than 10 days after the end of each calendar quarter, each recipient that received recovery funds from a Federal agency shall submit a report to that agency that contains--
(1) the total amount of recovery funds received from that agency;
(2) the amount of recovery funds received that were expended or obligated to projects or activities; and
(3) a detailed list of all projects or activities for which recovery funds were expended or obligated, including--
(A) the name of the project or activity;
(B) a description of the project or activity;
(C) an evaluation of the completion status of the project or activity; 
(D) an estimate of the number of jobs created and the number of jobs 
retained by the project or activity; and 
(E) for infrastructure investments made by state and local governments, 
the purpose, total cost, and rationale of the agency for funding the 
infrastructure investment with funds made available under this Act, and 
name of the person to contact at the agency if there are concerns with the 
infrastructure investment.

(4) Detailed information on any subcontracts or subgrants awarded by the 
recipient to include the data elements required to comply with the Federal 
Funding Accountability and Transparency Act of 2006 (Public Law 109-282), 
allowing aggregate reporting on awards below $25,000 or to individuals, as 
prescribed by the Director of the Office of Management and Budget.

**Reporting Fraud, Waste, Error, and Abuse**

Each grantee or subgrantee awarded funds made available under the Recovery Act is to 
promptly refer to an appropriate inspector general any credible evidence that a principal, 
employee, agent, contractor, subgrantee, subcontractor, or other person has submitted false 
claim under the False Claims Act or has committed a criminal or civil violation of laws pertaining 
to fraud, conflict of interest, bribery, gratuity, or similar misconduct involving Recovery Act funds.
