1. **Please explain any significant change in the number of applications received during the reporting period.**
No significant change.
2. **The average length of time to process an application for claim eligibility for compensation**
Count days from time of receipt of application to decision. 67

Please explain your state's procedure for processing an application for claim eligibility, from time of receipt of application to decision. Upon receipt of application, the Program requests information from law enforcement and prosecuting attorneys. When that information is received the case is referred to a case manager for eligibility review and decision. If found eligible, bills are requested from providers and payments are made in the order the claims are received.
3. **Does your state have a victim satisfaction survey?**
Yes

A. Number of victim satisfaction surveys distributed during the reporting period. 964

B. Number of victim satisfaction surveys completed during the reporting period. 12

C. Number of surveys that indicated satisfaction with the victim compensation program during the reporting period. 12
4. **Please describe any emerging/major issues or notable trends that were encountered in your state that had an impact on your program's ability to meet the needs of crime victims during the reporting period.**
