NARRATIVE QUESTIONS

1. **Please explain any significant change in the number of applications received during the reporting period.**  
n/a
2. **The average length of time to process an application for claim eligibility for compensation**  
Count days from time of receipt of application to decision. 205  
  
Please explain your state's procedure for processing an application for claim eligibility, from time of receipt of application to decision. • Explain the responsibilities of your office in processing a claim: Colorado has a decentralized system for the administration of crime victim compensation program activity which includes processing of applications and disbursement of compensation funds. The Office of Victims Programs responsibilities in regard to claim processing involve 1) providing on-going technical assistance requested by local cvc programs; and, 2) routine monitoring of state standards outlining baseline claim processing requirements for local cvc programs. • How long does it take to process a VOCA claim? Colorado State Standards for the Administration of Crime Victim Compensation Programs requires cvc claims to be processed within 45 working days, and no later than 60 days, from receipt of a completed application to the CVC Board's initial eligibility determination. • How long does it take to cut a check for a VOCA claim? Local CVC programs disburse CVC funds on a monthly basis, generally after a regularly scheduled claim review meeting. The Colorado State Standards for the Administration of Crime Victim Compensation Programs requires the Judicial District Administrator to issue payments on a victim compensation claim within ten working days of receipt of the signed payment authorizations submitted by a CVC Board.
3. **Does your state have a victim satisfaction survey?**

7. **Please describe in detail ways in which your state used VOCA Administrative funds and the impact of these funds on the state's ability to improve victim compensation services during the reporting period.**  
We use VOCA funds to work on catching the backlog of cases that we have not been able to pay due to insufficient funds.
8. **Were there any laws, initiatives, or policy changes in your state regarding victim compensation during the reporting period? If yes, please briefly describe them and their impact.**  
We can no longer deny eligibility based on a victim's felony history which has increased the number of cases that we are paying out, but it is too soon to tell how much.
9. **Please describe system-coordination efforts with prosecutors, law enforcement, courts, U.S. attorneys' offices, tribal systems, State VOCA Victim Assistance Coordinator, or other key personnel within the criminal justice system in your state to reduce barriers to victims who may apply to receive victim compensation.**  
We are in close contact with our sheriff's offices and our state district attorney association, assisting in training them on what we do.
