### ***The Vicarious Trauma Toolkit: Tools for Victim Services***

**WILLIAM PETTY, FORMER DIRECTOR, VICTIM SERVICES, AUSTIN POLICE**

**DEPARTMENT:** A part of our responsibility as management is we have to, and we need to be held accountable for, how well do we take care of our employees. Once you're aware of that, then your being compelled to do something about it becomes a no-brainer. Of course, this is something that's part of my job. I owe this to not just my agency or my department, but I also owe it to my field.
