

The purpose of a press release is to generate media coverage for your organization’s participation in NCVRW and other events throughout the year. Edit the sample press release to reflect specific issues in your community and to highlight activities, events, and commemorations.

Make sure to share the release with your contacts and local media, but don’t forget to post it to your own website, link to it on Facebook, and tweet the link as well. Use this opportunity to generate exposure for your organization, highlight issues related to your mission, and position your spokesperson as an expert in the field. For best results, distribute your release at least 10 days prior to your event. Use the lead time to follow up with reporters and partner organizations, identify spokespeople, answer questions, and create media materials for each important event.
