## NARRATIVE QUESTIONS

1. **Please explain any significant change in the number of applications received during the reporting period.**  
We ran a marketing campaign in the fall of 2021 to increase awareness of our program around the state. We have more than doubled the number of application we would normal receive.
2. **The average length of time to process an application for claim eligibility for compensation**  
Count days from time of receipt of application to decision. 90

One to the victim/claimant requesting bills related to the crime along with other information. The second to law enforcement. If no information is received from victim/claimant within 40 days, claim denied. Once police information is received, and the victim is eligible, and bills are present, bill verification is done for all bills being paid. If a victim's claim is denied, the victim/claimant has the right to request an appeal hearing. Agency will abide by the ALJ's decision.
