## NARRATIVE QUESTIONS

1. **Please explain any significant change in the number of applications received during the reporting period.**  
No significant change was identified in the number of applications received during this reporting period.
2. **The average length of time to process an application for claim eligibility for compensation**  
Count days from time of receipt of application to decision. 14  
  
Please explain your state's procedure for processing an application for claim eligibility, from time of receipt of application to decision. As long as the team member's caseload allows, claim eligibility is determined as soon as the police report or other verifying documentation is received. The claim is then reviewed by a Quality Control team member. If denial of the claim is recommended, the program Administrator reviews the claim.
3. **Does your state have a victim satisfaction survey?**  
No
4. **Please describe any emerging/major issues or notable trends that were encountered in your state that had an impact on your program's ability to meet the needs of crime victims during the reporting period.**  
A change in administration, in addition to staff turnover, may have slowed processing time periods, while policies were under review. However, staff have done an exemplary job at covering empty caseloads to alleviate any impact on victims.
5. **Please describe in detail efforts taken to serve Victims of Federal Crime during the reporting period.**  
Routine training and outreach to all entities serving victims, federal or otherwise. Our office has a good working relationship with both the Northern and Southern US Attorney's Office as well as the Victim Witness Coordinators in these offices. The Victim Assistance Section also has connections with the FBI victim specialist for the State of Iowa.
6. **Please describe any notable activities during the reporting period that improved the process of victim compensation services.**  
Work in progress to increase accessibility for the compensation program with software upgrades.
7. **Please describe in detail ways in which your state used VOCA Administrative funds and the impact of these funds on the state's ability to improve victim compensation services during the reporting period.**  
Administrative funds were utilized to pay for partial salaries of staff that provide direct compensation services to victims.
8. **Were there any laws, initiatives, or policy changes in your state regarding victim compensation during the reporting period? If yes, please briefly describe them and their impact.**  
Effective with the new administration taking office on 1/1/2023, policy for payment of emergency contraception for victims of sexual assault through the Sexual Assault Examination Program has been under review for nine months. This policy review is impacting 217 victims for payments totaling around \$9,600 for the nine month period. In addition, the new administration is reviewing the policy to pay for specific medical treatment for victims of sexual assault through the Compensation Program, specifically the termination of a pregnancy in the event a victim conceives during the assault. At this time this is only impacting one victim seeking reimbursement through the Compensation Program.
9. **Please describe system-coordination efforts with prosecutors, law enforcement, courts, U.S. attorneys' offices, tribal systems, State VOCA Victim Assistance Coordinator, or other key personnel within the criminal justice system in your state to reduce barriers to victims who may apply to receive victim compensation.**  
Our office strives to stay in constant communication with all aspects involved with victims of crime. The Victim Assistance Section also administers the VOCA Assistance grants funds, allowing for regular communication between the two teams for better client services.
10. **Please explain any public outreach efforts to improve awareness of your program.**  
Constant trainings and yearly conferences held by Victim Assistance. The training and outreach team has been increasing efforts of providing trainings and bein in the public eye. Partnerships have been growing between the Victim Assistance Section and County Attorney associations, Medical Associations, and the Department of Health and Human Services.
11. **Please list any other outcome measure(s) that are reported to the governor, legislature, or other state entity that have not been reported in this submission. Provide the actual measure(s). The data may be reported separately in your progress report.**  
An annual report based on state fiscal year activity (7/1 - 6/30) is submitted to the state legislature by January 15th of every year.

12. **Please provide any additional comments that are helpful to improving the Victim Compensation state and/or federal program.**
